Recitals

Under Minnesota Statutes 84.026, (84.794, 84.803, and 84.927 – OHV, 84.83 - Snowmobile) the State is empowered to enter into this Grant Contract Agreement. The State, under Laws of Minnesota 2025, 1st Special Session, Chapter 1 S.F. Number 3, Subdivision 7(f) (for OHV only) or Minnesota 2025, 1st Special Session, Chapter 1 S.F. Number 3, Subdivision 7(d) (for snowmobile safety only) is authorized to provide reimbursement grants to counties to cover costs related to labor and equipment in the enforcement of off highway vehicle laws, rules and regulations, as well as holding staff training in the same, and providing local youth training classes, in the manner described in the Grantee's Proposed Budget. The Grantee represents that it is duly qualified and agrees to perform all services described in this Grant Contract Agreement to the satisfaction of the State.

Grant Contract Agreement

1 Term of Grant Contract Agreement

1.1 Effective Date. July 1, 2025. As per Statute 84.026 Subd. 4, work may begin prior to execution. Notwithstanding Minnesota Statutes § 16B.98, Subd. 5 and 16A.41, the Grantee submitted, and the State approved a work plan and budget whose expenditures can be reimbursed as of the effective date of this grant agreement pursuant to Minnesota Statutes § 16B.98, Subd. 11. Pursuant to Minnesota Statutes § 16B.98 Subd. 7, no payments will be made to the Grantee until this Grant Contract Agreement is fully executed.

1.2 Expiration Date. June 30, 2027, or until all obligations have been satisfactorily fulfilled, whichever occurs first.

1.3 Survival of Terms. The following clauses survive the expiration or cancellation of this Grant Contract Agreement: Liability; State Audits; Government Data Practices and Intellectual Property; Publicity and Endorsement; Governing Law, Jurisdiction, and Venue; and Data Disclosure.

1.4 Incur Expenses. Notwithstanding Minnesota Statutes Section § § 16A.41 and Minnesota Statutes Section 16B.98 Subd. 5, expenditures made on or after July 1, 2025 (award date), or the date the work plan is approved, whichever is later, are eligible for reimbursement unless otherwise provided.

2 Specifications, Duties, and Scope of Work:

The Grantee will perform the duties in Exhibit A, Allowable Expenditures, and Exhibit B, Budget.

2.1 Be responsible for maintaining an adequate conflict of interest policy. 3 Time

The Grantee must comply with all the time requirements described in this Grant Contract Agreement. In the performance of this Grant Contract Agreement, time is of the essence and failure to meet a deadline date may be a basis for a determination by the State's Authorized Representative that the Grantee has not complied with the terms of the Grant Contract Agreement. The Grantee is required to perform all the duties cited within clause two "Specifications, Duties, and Scope of Work" within the grant period. The State is not obligated to extend the grant period.

4.4 Invoices. Payments shall be made once annually on a reimbursement basis by the State after the Grantee’s presentation of invoices for services satisfactorily performed and the written acceptance of such services by the State’s Authorized Representative. Payments will not be made if there are outstanding reports. Invoices shall be submitted timely, with additional details as requested by the State, and according to the following schedule:

8.2 Amendments. Any amendment to this Grant Contract Agreement must be in writing and will not be effective until it has been executed and approved by the same parties who executed and approved the original Grant Contract Agreement or their successors.

8.3 Waiver. If the State fails to enforce any provision of this Grant Contract Agreement, that failure does not waive the provision or its right to enforce it.

8.4 Contract Complete. This Grant Contract Agreement contains all negotiations and agreements between the State and the Grantee. No other understanding regarding this Grant Contract Agreement, whether written or oral, may be used to bind either party.

9 Subcontracting and Subcontract Payment

9.1 A subrecipient is a person or entity that has been awarded a portion of the work authorized by this Grant Contract Agreement by Grantee. The Grantee must document any subaward through a formal legal agreement. The Grantee must provide timely notice to the State of any subrecipient(s) prior to the subrecipient(s) performing work under this Grant Contract Agreement.

9.2 The Grantee must monitor the activities of the subrecipient(s) to ensure the subaward is used for authorized purposes; is in compliance with the terms and conditions of the subaward, Minnesota Statutes § 16B.97, Subd.4 (a) 1, and other relevant statutes and regulations; and that subaward performance goals are achieved.

9.3 During this Grant Contract Agreement, if a subrecipient is determined to be performing unsatisfactorily by the State’s Authorized Representative, the Grantee will receive written notification that the subrecipient can no longer be used for this Grant Contract Agreement.

9.4 No subagreement shall serve to terminate or in any way affect the primary legal responsibility of the Grantee for timely and satisfactory performances of the obligations contemplated by the Grant Contract Agreement.

9.5 The Grantee and any subrecipients must not contract with vendors who are suspended or debarred by the State of Minnesota or the federal government.

10 Liability

The Grantee must indemnify, save, and hold the State, its agents, and employees harmless from any claims or causes of action, including attorney’s fees incurred by the State, arising from performance of this Grant Contract Agreement by the Grantee or the Grantee’s agents or employees. This clause will not be construed to bar any legal remedies the Grantee may have for the State’s failure to fulfill its obligations under this Grant Contract Agreement.

11 State Audits

Under Minnesota Statutes § 16B.98, Subd. 8, the Grantee’s books, records, documents, and accounting procedures and practices relevant to this Grant Contract Agreement are subject to examination by the Commissioner of Administration, the State granting agency, the State Auditor, the Attorney General, and the Legislative Auditor, as appropriate, for a minimum of six years from the expiration or termination of this Grant Contract Agreement, receipt and approval of all final reports, or the required period of time to satisfy all State and program retention requirements, whichever is later.

12 Government Data Practices and Intellectual Property Rights

The Grantee and State must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by the State under this Grant Contract Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Grantee under this Grant Contract Agreement. The civil remedies of Minnesota Statutes § 13.08 apply to the release of the data referred to in this clause by either the Grantee or the State.

If the Grantee receives a request to release the data referred to in this Clause, the Grantee must immediately notify the State. The State will give the Grantee instructions concerning the release of the data to the requesting party before the data is released. The Grantee's response to the request shall comply with applicable law.

13 Workers Compensation

The Grantee certifies that it is in compliance with Minnesota Statutes § 176.181, Subd. 2, pertaining to workers' compensation insurance coverage. The Grantee's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

14 Governing Law, Jurisdiction, Venue

Venue for all legal proceedings out of this Grant Contract Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

15 Termination

15.1 Termination by the State.

A. Without Cause. The State may terminate this Grant Contract Agreement without cause, upon 30 days' written notice to the Grantee. Upon termination, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed. With Cause.

B. With Cause. The State may immediately terminate this Grant Contract Agreement if the State finds that there has been a failure to comply with the provisions of this Grant Contract Agreement, that reasonable progress has not been made, or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

15.2 Termination by the Commissioner of Administration. The Commissioner of Administration may immediately and unilaterally terminate this Grant Contract Agreement if further performance under the agreement would not serve agency purposes or performance under the Grant Contract Agreement is not in the best interest of the State.

15.3 Termination for Insufficient Funding. The State may immediately terminate this Grant Contract Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services addressed within this Grant Contract Agreement. Termination must be by written notice to the Grantee. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Grantee will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that dedicated funds are available.

In the event of temporary lack of funding or appropriation, the State may pause its obligations under this Grant Contract Agreement without terminating it. This pause will be for the duration of the lack of funding or appropriation and shall not be considered a termination of the Grant Contract Agreement. The Grantee will be notified in writing of the temporary pause, and the Grantee's ability to provide services may be temporarily suspended during this period. The State will provide reasonable notice to the Grantee of the lack of funding or appropriation and shall notify the Grantee once funding is restored or appropriated, at which point the provision of services under the Grant Contract Agreement may resume.

The State will not be assessed any penalty if the Grant Contract Agreement is terminated due to insufficient funding. The State must provide the Grantee notice of the lack of funding within a reasonable time of the State's receiving notice.

16 Publicity and Endorsement

16.1 Publicity. Any publicity pertaining to the services resulting from this Grant Contract Agreement shall identify the State as the sponsoring agency. Publicity includes, but is not limited to: websites, social media platforms, notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Grantee or its employees individually or jointly with others or any subrecipients. All projects primarily funded by state grant appropriations must publicly credit the State, including on the grantee's website, when practicable

16.2 Endorsement. The Grantee must not claim that the State endorses its products or services.

17 Data Disclosure

Under Minnesota Statutes § 270C.65, Subd. 3, and other applicable law, the Grantee consents to disclosure of its social security number, federal employer tax identification number, or Minnesota tax identification number, already provided to the State, to federal and state tax agencies and state personnel involved in the payment of state obligations. These identification numbers may be used in the enforcement of federal and state tax laws which could result in action requiring the Grantee to file state tax returns and pay delinquent state tax liabilities, if any.

18 Use of Funds as Match to Other Grants or Programs

18.1 The Grantee must inform the State's Authorized Representative whenever the grant funds will be used as match or for reimbursement for any other grant or program.

ALLOWABLE EXPENDITURES SNOWMOBILE SAFETY ENFORCEMENT GRANT PROGRAM: 2026-2027

Use these guidelines when considering whether a specific expense is eligible for reimbursement.

General:

These funds are to be used only for enforcement activities above and beyond current levels of local law enforcement activities as stated in 2025 Laws of Minnesota Legislature.

All of the expenditures listed below must be directly related to the Snowmobile Safety Enforcement Program, and the work done by counties in ONLY this program area. When personnel or equipment costs are split between general law enforcement duties and snowmobile enforcement work, the percentage paid out of the snowmobile safety enforcement account may not exceed the percentage of time the individual or equipment is actually used for snowmobile safety enforcement.

Local Law Enforcement Agencies are urged to contact the Department of Natural Resources, Snowmobile Safety Enforcement Grant Administrator for a determination prior to any questionable expenditure. **All expenditures are subject to state audit. Be sure to keep accurate documentation and records of all expenditures.**

Personnel:

Salary costs for certification of staff to conduct the DNR youth training safety programs for snowmobiles, and the actual training conducted for the youth program.

Salary costs for attendance by county or local staff in a POST-approved training session conducted by DNR Enforcement Officers on snowmobile rules and enforcement techniques.

Salary costs for officers enforcing the snowmobile laws, rules, regulations and local ordinances.

Records or logs of time spent on the program are necessary to support these expenses and should be retained for not less than three years. If officer hours are a part of your reimbursement, please send one (1) example officer log for the time period for which reimbursement is being requested.

Staff salary and course fees for staff training and proficiency in proper riding techniques for safe use and operation of a snowmobile. This is a discretionary activity, based on local priority rather than state requirements.

Supplies and Expenses:

This includes personal riding equipment, fuel, oil, lubricants, repairs, rental/lease costs, travel costs, training expenses and expendable supplies.

Equipment:

This includes Snowmobiles, safety sleds, trailers, and other necessary items specifically related to this program. Equipment that is being used for general duties may be either charged to the snowmobile safety enforcement account according to percentage of use or by the cost per mile/hour of operation. Mileage logs showing dates, odometer readings and assignment are necessary to support all vehicle use and should be retained for not less than three years. If additional vehicles are needed, leases should be considered. Requests for equipment purchases are of low priority and should be limited to essential requests only. If you do purchase a snowmobile, and it is \$5,000 or more in total cost, please submit a copy of the purchase invoice.

All of the expenses incurred during the grant time period should be condensed into an Integrated Payment System Report, which you should be able to obtain from your county auditor or treasurer.

***Other proposed expenditures which do not fit into one of these categories must have prior approval by the Department of Natural Resources, Snowmobile Enforcement Grant Administrator. Please contact Kelly Affeldt: (651) 259-5361 or kelly.affeldt@state.mn.us

Conflict of Interest Disclosure Form for Grantees

A conflict of interest occurs when a person has actual or apparent duty or loyalty to more than one organization and the competing duties or loyalties may result in actions which are adverse to one or both parties. A conflict of interest exists even if no unethical, improper or illegal act results from it. There are several types of conflicts of interest.

Actual Conflict of Interest

An actual conflict of interest occurs when a person's decision or action would compromise a duty to a party without taking immediate appropriate action to eliminate the conflict.

Potential Conflict of Interest

A potential conflict of interest may exist if a person has a relationship, affiliation, or other interest that could create an inappropriate influence if the person is called on to make a decision or recommendation that would affect one or more of those relationships, affiliations, or interests.

Individual Conflict of Interest

A conflict of interest that may benefit an individual employee *or a grant reviewer* is any situation in which *their* judgment, actions or non-action could be interpreted to be influenced by something that would benefit them directly or through indirect gain to *an immediate family member*, business, or organization with which they are involved.

Organizational Conflict of Interest

A conflict of interest can also occur with an organization that is a grant applicant in a competitive grant process or grantee of a state agency.

Organizational conflicts of interest occur when:

- A grantee's objectivity in carrying out the grant is impaired or compromised due to competing duties or loyalties
- A grantee, potential grantee or grant applicant has an unfair competitive advantage through being furnished unauthorized proprietary information or source selection information that is not available to all competitors.

This section to be completed by Grantee's Authorized Representative

I certify that we will maintain an adequate Conflict of Interest Policy, and throughout the term of our agreement will report any actual or potential conflicts of interests by individual employees or our organization as a whole to the State's Authorized Representative.
