

Jess L. Greenwood, P.E.
Public Works Director – County Engineer

2140 Pioneer Road
Red Wing, MN 55066
Office: (651) 385.3025

TO: Honorable County Commissioners
Scott Arneson, County Administrator

FROM: Jess L. Greenwood, P.E. – Public Works Director / County Engineer

RE: 07 May 2024 County Board Meeting – **CONSENT AGENDA**
On-line Auction – Sale of Obsolete Items

Date: 1 May 2024

Requesting authorization to sell the following Public Works equipment and other items by auction on the Public Surplus website.

The barrels, bases, and cones are used, and the condition of these items is such that they are no longer effective as traffic control devices.

The generator no longer works, and the sprayer pump and motor were replaced previously and they are no longer being used.

The survey equipment has been replaced with GPS systems that are more efficient and require fewer staff and hours to collect data.

The box sieves have been replaced with an automated shaker system that does not require manual rocking of the sieves.

The tool box was used on a previous vehicle and has since been replaced with the purchase of newer trucks.

Items: 117 barrels and bases for work zone traffic control
69 extra bases for work zone barrels
93 cones for work zone traffic control
1 Dyna generator
16" box sieve (15 screens with 1 pan, 2 rockers)
2 survey grade rods
3 survey tripods
1 used sprayer pump and motor
1 tool box for pickup truck
