TO: Goodhue County Parks, Trails, and Recreation Advisory Board

FROM: Jess Greenwood, Public Works Director

RE: 15 Aug 25 Park Board Meeting
Byllesby Park Bench Location Map

Date: 30 Jul 25

Summary

It is requested that the Park Board approve a bench donation map that identifies pre-approved locations for park benches at Byllesby Park.

Background

Requests for memorial benches at Goodhue County Byllesby Park have brought forward the matter of planning for bench donations and replacements.

Staff has prepared a draft donation policy that briefly outlines the responsibilities of the Donor and the County. The Donor would provide funding that covers the cost of the bench and installation materials. The County would provide the labor and equipment to install the bench. The Donor would be given first opportunity to provide funding to replace the bench (due to weathering over time, irreparable vandalism, an extreme weather event, etc.). Donors would be able to choose from the available approved primary bench locations until they have all been filled. Once filled, Donors could choose from approved secondary bench locations. If desired, tertiary bench locations could be determined at a future time.

Alternatives

- Approve the Byllesby Park Bench Location Map as presented.
- Revise and approve the Byllesby Park Bench Location Map.
- Do not approve the Byllesby Park Bench Location Map and continue to site benches as needed.

Recommendation

It is the recommendation of staff that the Park Board approve the Byllesby Park Bench Location Map as presented.
