What are people saying about the library...

“I love all the fun programs. I like that I can come to the library and learn while playing. The science kits and funny books are my favorite things. I just love the library.”

“The staff are the best. They go above and beyond to help you. I also love all the classes and opportunities they offer at our library.”

“They provide a place to learn, a quiet place to work, a place to get away that is safe and free, programs for all ages, internet access, promote literacy, and they help people save money on books, DVDs, and other things.”

“I love my library of all the opportunities it has given me to start & expand my business.”

“It always provides a quiet place for me to study. Also to be able to get connected with my community.”

“We do a lot of homeschool lessons in the groups rooms. It is a wonderful location that is free to use. We have done reading, history, science, game days!”

“...there are many free resources available for research and entertainment. The librarians are kind and they are willing to help us discover how to maximize what is offered to our benefit.”

“...it brings people together for a common purpose. It gives us a chance to connect with people outside our usual circle. The library provides resources for the whole family. One never outgrows the need for a library. There are programs for all ages! I am thankful for all the library offers!”
