SUMMARY

Minn. Stat. § 38.33 coordinates the work of the federal, state, and county government and the Minnesota Extension Service of the University of Minnesota to maintain county Extension work. Goodhue County has a Memorandum of Agreement with the University of Minnesota for a local 4-H Youth Development program.

4-H members in Goodhue County will join the 6 million youth across the country in celebrating National 4-H Week annually starting the first Monday in October. 4-H celebrates this week by highlighting the remarkable 4-H youth in their communities and showcasing the incredible experiences that 4-H offers young people.

OUTCOMES

The Goodhue County Extension Department works to create a healthy, thriving, and equitable community for all. Extension does this by bringing Minnesotans together to build a better future through University science-based knowledge, expertise and training. Extension is the front door to the University for all Minnesotans, providing tools to build the future they envision. More than 1 million people are reached annually by Extension education. In 2023:

- 971 youth (kindergarten through 1 year past high school) were enrolled members in Goodhue County 4-H. Goodhue County is consistently ranked in the top four counties in the state for enrollment.
- The annual 4-H Youth Outcome Survey distributed in the fall of 2023 to Goodhue County members indicated:
 - 97% of youth who participated in 4-H can work with others to achieve a goal.
 - 96% of youth can actively listen to what others have to say.
 - 96% of youth enjoyed learning.

- o 98% of youth felt like they belonged.

RECOMMENDATION

Building a ready generation in a world of change, 4-H equips youth with skills for the future while meeting them where they are today. Becoming Beyond Ready encompasses opportunities and experiences, connections and discovery, shaping youth into their true and authentic selves. National 4-H Week is a time to celebrate the 4-H youth development program in Goodhue County and across the nation and its many benefits and to encourage more young people to join.
