Introduce New Solid Waste Manager

Date: 28 May 2025

Public Works would like to introduce the new Solid Waste Manager, Dick Thompson.

Dick worked in several managerial roles for various companies in Ohio. During his employment at Stericycle, he led a team of drivers, with a fleet of 25 trucks, in properly disposing of hazardous materials from medical facilities in a three-state area.

Dick will be overseeing the operations at the Recycling Center. In addition, he will be handling the tasks of the previous Solid Waste Official, including coordinating HHW events, addressing environmental issues pertaining to disposals, completing solid waste reports, and providing outreach to external organizations.

Please welcome Dick to Goodhue County.
