 Address: P.O. Box 392, Red Wing, MN 55066
 Email: rylee@lakepepinlegacyalliance.org
 Tax ID: 27-0573238

Project Title: Mississippi River Education & Restoration

Project Description: LPLA and partners broke ground on a \$23 million Mississippi River restoration project which culminates nearly 10 years of community organizing, project planning, and fundraising. To leverage the success of that project we are requesting funds to provide education and interpretation around current and future river restoration opportunities, ongoing threats to the river, and the importance of watershed-based solutions.

Deliverables:

- Host and facilitate two community meetings to engage residents around restoration project planning in Wacouta Bay via the federal Navigation and Ecosystem Sustainability Program.
- Provide 5 free boat tours per year with expert speakers (wildlife biologist, etc.) to showcase the benefits of river restoration and highlight the need for upstream pollution reduction.
- Track, distill, and distribute pertinent river restoration information from interagency meetings.
