Goodhue County Ride Program

While enacting the plan to transfer the ride program from the county to the DAV it has become apparent that the DAV is unable to handle the volume of rides from the county. None of the Goodhue volunteer drivers will be transferring to the DAV program. This will leave our veteran with highly limited or no transportation to their VA medical appointments.

I am requesting a reinstatement of the Goodhue County Veteran Ride Program while my office and the DAV find a solution for a hand off of the Goodhue County rides.

Sincerely,
