Re: Out of State Travel 2020

If scheduling allows, I will be attending one of the following meetings in 2020:

**National Association of Counties (NACO)**

Legislative Conference, February 29- March 4 in Washington, D.C.

Annual Conference, July 17-20 in Orlando, Florida

**International City/County Management Association (ICMA)**

Annual Conference, September 23-26 in Toronto, Ontario, Canada

As the dates approach, I will choose the conference that works best in my calendar. The 2020 Administration budget includes \$2,500 for conferences and schools to cover the cost to attend.

TO: County Board of Commissioners  
FROM: Brian J. Anderson, Finance Director  
SUBJECT: Government Investment Officers Association Conference 2020  
DATE: December 17, 2019

**Background:**

Part of the Finance Directors job duties is to invest the County's cash reserves and settlement dollars in a responsible manner that can receive the highest yield. In order to effectively receive the highest possible investment earnings, investment officers need to be strategic in their investment plan, understand the market (potential opportunities and upcoming challenges), and remain active in their investing and education. Thus far in my short tenure here at Goodhue County I believe that I have accomplished these goals by attending local conferences, reading numerous investment books and articles, and discussing and implementing strategies with other investment officers. Thanks in part to the uptick in the economy in 2018 and to my methodology, the County's investment earnings have risen considerably over the past two years (183%), when I was hired.

However, with a sharp downturn approaching in the economy, some of which is being felt already, I would like to continue to learn more about the various investment strategies and apply them to Goodhue's investment plan by attending the **2020 Government Investment Officers Association Conference.**

**Discussion:**

The Government Investment Officers Association (GIOA) is similar to the Government Finance Officers Association but is an organization strictly for investment officers discussing investment strategies, investment policy, and the current market trends. The mission of the GIOA is the education and training of government investment officers to assist them in their responsibilities.

Although the 2020 agenda has not been set yet, the 2019 agenda (attached) included many topics that would be considered for intermediate to advanced investment officers, which I believe would pertain to me. First-time attendees, such as myself, would only have to pay a \$50 registration fee and there are no grants that are awarded to assist in lodging or travel. The three-day 16<sup>th</sup> annual GIOA Conference runs from March 18-20 and, given the size of the event, will be hosted at Park MGM Resort in Las Vegas. The expenses are outlined as follows:

<b>GIOA Travel Expenses</b>	
GIOA Registration	\$ 50.00
Lodging for 3 nights	\$ 550.00
Airfare	\$ 300.00
Ancillary Expenses	\$ 100.00
<b>Total Expenses</b>	<b>\$ 1,000.00</b>

**Recommendation:**

I would greatly appreciate the opportunity to attend the **2020 GIOA Conference** in the amount not to exceed \$1,000.

## **GIS**

ESRI is the company that develops the GIS software that the County uses. Their software is the industry standard for GIS solutions. The County currently hosts 84 web applications and daily usage is over 1000 views per day.

The ESRI Developer's Conference is being held in Palm Springs, CA, March 10-12, 2020. The conference covers GIS programming and development topics including website management, application development, and integrating data collection in the field. We have budgeted for 1 staff to attend and estimate approximately \$3000 for conference costs, travel and lodging.

The ESRI Users Conference is being held in San Diego, CA July 13-17, 2020. Among other topics, this conference covers the software vendors' future direction and helps us prepare in advance for major changes. We have budgeted for 1 staff to attend and estimate approximately \$2300 for travel and lodging. Conference attendance is covered in our license agreement.

**BACKGROUND:**

The Goodhue County Sexual Assault Multidisciplinary Action Response Team (SMART) would like to send their co-chair Katie Bystrom, Goodhue County Health and Human Services Child Protection Social Worker, to the 2020 End Violence Against Women International (EVAWI) Conference on April 13-16, 2020 in Washington, DC.

Most recently, the SMART has been developing a Safe Harbor Protocol for trafficked and sexually exploited youth in Goodhue County. The mission of the Goodhue County Safe Harbor Protocol is to develop policies and best practices to allow agencies providing services in Goodhue County, to screen for at-risk individuals and respond to reports of sex trafficking and/or sexual exploration in an inclusive, appropriate, and consistent manner.

The SMART members include: Covered Bridge Family Resources, GCHHS, Goodhue County Attorney's Office, Goodhue County Sheriff's Department, HOPE Coalition, Lake City Police Department, Mayo Clinic Health System-Red Wing, Minnesota Department of Corrections, Red Wing Police Department, Three Rivers Community Action, and Zumbrota Police Department.

The Goodhue County Safe Harbor Protocol Team members include: Goodhue County Attorney's Office, Prairie Island Indian Community Family Services, Hope Coalition, Goodhue County Sheriff's Department, Red Wing Police Department, GCHHS, Mayo Clinic Health System – Red Wing, Hispanic Outreach of Goodhue County, Goodhue County Court Services, Goodhue County Court Administration, MN Coalition Against Sexual Assault, Safe Harbor Regional Navigator, Red Wing Youth Outreach, Common Ground, Southern MN Regional Legal Services, Kenyon Police Department, and Cannon Falls Police Department.

The EVAWI annual conference brings law enforcement, advocates, medical professionals, parole officers, probation officers, mental health professionals, and social workers together, to learn about emerging best practices in response to and prevention of these crimes.

The Minnesota Coalition Against Sexual Assault (MnCASA) and the Sexual Violence Justice Institute (SVJI) provides technical and financial support for the Goodhue County SMART and has encouraged our local team to send representatives to this conference.

Registration fees have been already covered by the Goodhue County local SMART funds and additional funding will be requested from MnCASA/ SVJI in January 2020 to cover travel and hotel. Ms. Bystrom's wages and meals will be covered by the GCHHS.

Ms. Bystrom will only attend the conference if outside funding is secured for the conference, travel and hotel.

**RECOMMENDATION:** The GCHHS Department recommends approval of this request.

RE: 17 Dec 19 Budget Committee Meeting  
**Out of State Travel 2020**

Date: 11 Dec 19

It is requested that the Budget Committee and the County Board approve Out of State Travel for the following conferences. Costs for these conferences are included in the 2020 Budget.

<u>Event</u>	<u>Estimated &amp; Budgeted</u>	<u>Dates of Event</u>
Washington Fly-In – Washington DC (Engineer + 3 Co Staff)	\$8,300	May 26 – 28, 2020
NACE Annual Meeting	\$1,500	April 19 - 23, 2020

## **Washington Fly-In**

Since 2002, the County has sent four representatives consisting of one or two commissioners, the County Administrator, the County Engineer, the Assistant County Engineer and /or our Legislative Liaison to the 'Transportation Alliance Washington Fly-In'. Except last year, when Commissioner Anderson, Commission Drotos and I traveled to Washington DC in September along with the Olmsted County Engineer, the Mayor of Zumbrota and a council member.

Our visits to Washington have enabled us to develop relationships with our Congressional members and their staff, and to keep them informed about our needs, and concerns, projects, and funding. Goodhue County has received several appropriations in the past few years and will be requesting federal funds in future years. Therefore, establishing and maintaining these relationships is very important.

As another option, we could travel at another time (as we did this year) and cut our time and expense for the trip by not attending the Transportation Alliance's Fly-In Conference. A disadvantage of traveling at another time is that we miss hearing from other congressmen and the other speakers at the Fly-in.

The cost for the Fly-In can range from approximately \$1,600 - \$2,300 per person depending on air fare, etc. The estimated cost mentioned above was included in our 2020 Conference & Training budget line item.

**NACE Conference - Orange Beach, AL.**

I have attended several NACE Conferences over the past few years and have found these national conferences very informative and an opportunity to find new approaches for managing the County's Department of Public Works from sources throughout the country. Jess Greenwood has also attended one meeting and felt it was a good educational experience learning about County Engineer management solutions discussed at the national level. The 2020 conference is in Orange Beach, AL.

Out-of-State travel authorization is requested to send either Jess or myself to attend this conference.

RE: Out of State Travel Request – SAFECOM Public Safety Committee Meeting

It is requested that the Budget Committee and the County Board approve the out of state travel request for 2020.

Communications Captain Chad Steffen has been an appointed SAFECOM Public Safety At-Large Member since 2018 after serving in the same capacity with his former employer, the City of Red Wing. SAFECOM is an emergency communications program within the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (US DHS – CISA). He is one of twenty-five At-Large Members nationally. Through collaboration with emergency responders and policymakers across all levels of government, SAFECOM works to improve multijurisdictional and intergovernmental communications interoperability.

Sheriff Kelly is requesting to have the continued opportunity to have Captain Steffen attend the bi-annual in-person meetings and any related in-person committee meeting. The bi-annual meetings are 4 days in length, including travel days. The in-person committee meetings are 2 days, typically only meeting once a year. These meetings are by invitational travel and therefore they are planned, scheduled, arranged and paid in full by the SAFECOM Program. The meetings occur anywhere within the United States as approved by the federal processes. Captain Steffen's time is not covered and therefore a commitment by our county. Total hours do not normally exceed 75 hours in a calendar year.

Out of state travel authorization is requested to attend the meetings.

RE: Out of State Travel Request – NREP Conference

It is requested that the Budget Committee and the County Board approve the out of state travel request for 2020.

Diane Richter-Biwer, is requesting to have the opportunity to attend the 2020 National Radiological Emergency Preparedness (NREP) Conference will be on March 30 – April 2<sup>nd</sup>, in Nashville, Tennessee.

The purpose of the conference is to provide a professional forum for individuals and agencies involved in radiological emergency preparedness and response. The emphasis of the 2020 Conference will be on the current and foreseeable changes in the industry resulting from revised or new FEMA and NRC requirements and how these changes are being implemented across the country; the program continues to emphasize on training opportunities involving matters directly or closely related to radiological emergency preparedness that will benefit primarily State and local government organizations.

The NREP conference was budgeted for in the OEM's 2020 budget under the Radiological Emergency Preparedness Nuclear Power Plant (REP-NPP) funds. The estimated cost for attending the conference is \$2,670.
