

Staff Present: Commissioner Brad Anderson, Commissioner Todd Greseth, Scott Arneson, Amanda Holst, Kayla Matter, Nina Arneson and Mary Priebe.

Nina Arneson put forth a request to add a temporary employee (67 days or 14 hours per week) to the Eligibility Department.

The Elderly Disabled Unit is 91 days out on documents waiting to be reviewed. This includes new applications, renewals, and miscellaneous documents. Bringing back a former employee would assist the unit to catch up. The position can be funded by DHS and IMRMS.

Commissioners Anderson and Greseth support the recommendation to bring back a former employee to temporarily help the eligibility department.
