

Personnel Committee Minutes
April 2, 2024
8:30 am 308 Conference Room

Staff Present: Commissioner Brad Anderson, Commissioner Todd Greseth, Scott Arneson, Mary Priebe, Jessica Ahlbrecht, Tom Day, Jess Greenwood, Jake Rezac.

Jess Greenwood put forth a request to reorganize the administrative staff at Public Works and add a Parks & Trails Manager position in 2024.

With the two job vacancies in Public Works front office, there is a unique opportunity to revisit the Park's Manager position in 2024 rather than in 2025. Cost savings from vacancies of several position in the department is sufficient to offset the difference between the Park & Trails Manager and the Administrative Support Specialist for the remainder of 2024.

Commissioners Anderson and Greseth will support the recommendation but suggest it be discussed further at the next Personnel Committee before going to the board.
