

2025 Immunization Administration Fee Schedule

Vaccine/Service	Who is eligible	Insurance coverage	Cost*
All vaccines (including influenza)	Adults & children	Uninsured or under-insured (including Medical Assistance)	\$20
All vaccines (including influenza)	Family of 4 or more, out-of- pocket maximum per visit	Uninsured or under-insured (including Medical Assistance)	\$75
Hepatitis-B (HBV)	Adults 19 years and	Uninsured and under-insured (including Medical Assistance)	\$60
Influenza (public flu shot clinics)	Adults & children	Private insurance - will be billed directly to insurance carrier	\$50
Mantoux test	Adults 19 years and older	N/A (flat fee)	\$40

* Assistance may be available, based on eligibility, so that no one is refused immunizations due to inability to pay.
Fees are not waved for private pay Mantoux testing and flu shots.
