Vince Cockriel called the meeting to order at 1:33 PM. It was moved by C. Nesseth, seconded by Janie Farrar, and carried to approve the November 14, 2017, Park Board Minutes.

It was moved by C. Anderson, seconded by Roxanne Bartsh, and carried to elect Mairi Doerr as the new Park Board Chairperson. It was moved by Scott Roepke, seconded by C. Anderson, and carried to elect Janie Farrar as the new Park Board Vice-Chairperson.

Greg Isakson gave an update on the park applications for regional significance designation. Consultants at Hoisington Koegler Group, Inc. (HKGi) have submitted applications to the Greater MN Regional Parks and Trails Commission (GMRPTC) for both Byllesby Park and Nielsen Memorial Preserve. The master plans for both parks have also been submitted. Greg will be meeting with Joe Czapiewski to visit both park properties. The GMRPTC will be voting to rank the applications within the next month. If the parks are ranked as regionally significant, we will be eligible to apply for grant funding. The current grant application period will close at the end of July.

Greg also gave an update on a possible property acquisition adjacent to the Nielsen Memorial Preserve. The acquisition of a ten acre lot owned by A. Allan Story would make construction of a park entrance and access road improvements easier. It would also bring us closer to the 100 acre goal for regional park designation (approximately 88/100 acres). It was moved by C. Nesseth, seconded by Roxanne Bartsh, and carried to recommend County Board approval of the Story property acquisition.

Park Board members discussed project implementation priorities for Nielsen Memorial Preserve, and were in agreement that park access and an entrance/parking should be the first priority. No formal motion was made.

Park Board members discussed a request to host the Cannon Falls Art Fair at Byllesby Park. Staff agreed to look into permitting processes used by Dakota County, Olmsted County, and the City of Red Wing for large events, and associated fees. Staff also agreed to have conversation with Stanton Township regarding large events at Byllesby Park.

Park Board members began discussions regarding project implementation priorities at Byllesby Park. Staff agreed to look at elevations and drainage in the proposed buffer area as time permits for their engineering technicians.

No further updates were given.

Mission Statement

The mission of the Goodhue County Parks, Trails and Recreation Advisory Board is to provide a quality park, trail and recreation system which strive to preserve, protect, maintain, improve and enhance the County's park land, trails, and recreational activities, on behalf of all current and future citizens of the County of Goodhue

Future meeting date will be May 8, 2018, at 1:30 PM.

It was moved by C. Anderson, seconded by Janie Farrar, and carried to adjourn the meeting at 3:30 PM.

Respectfully submitted,
Jennifer Ziemer
Goodhue County Administrative Assistant

Greater Minnesota REGIONAL PARKS & TRAILS COMMISSION

May 1, 2018

Mr. Greg Isakson
Public Works Director
Goodhue County
2140 Pioneer Road
Red Wing, MN 55066

Dear Greg,

On behalf of the Greater Minnesota Regional Parks and Trails Commission, congratulations on your successful designation application for Goodhue County Byllesby Park 18-006D.

The application process to achieve regional designation is designed to ensure that parks and trails included in the Greater Minnesota Regional System are of high value and provide a quality recreational opportunity. The Commission's independent Evaluation Team reviewed the Master Plan against the criteria and Goodhue County Byllesby Park scored 366.67 out of 500 points.

Goodhue County Byllesby Park will be included on the GMRPTC website, as well as the Legacy Advisory Committee's integrated website – MN Great Outdoors www.mn.gov/greatoutdoors; a one stop site for all parks and trails of the DNR, Metropolitan Council and GMRPTC, that will launch in May. We will need to have a contact person who will be responsible for entering the park information and shape files into the site's database.

With the regionally significant designation and inclusion into the Greater Minnesota Regional System, Goodhue County Byllesby Park is eligible to submit applications during each funding application cycle, the current cycle opened on April 2 and will close on July 31, 2018.

Again, congratulations on your successful application and inclusion into the Greater Minnesota System. Please do not hesitate to contact me or our System Plan Coordinator, Joe Czapiewski with any questions you may have about the process going forward.

Best regards,

Renee Mattson
Executive Director
Greater Minnesota Regional Parks and Trails Commission
