RE: Request to sell property through Goodhue County online auction

Dear Commissioners,

We have begun cleaning out abandoned property and old evidence from our cold storage building and our evidence room. I have included a list of items we are requesting to sell online. I will provide background information regarding each case below.

Item 2:

This is a Polaroid camera that is owned by the Goodhue County Sheriff's Office and was never used. It is still in the original plastic and case. There is currently not a need to keep this item.

Items 4 through 22:

In 2008, the Goodhue County Sheriff's Office recovered these items during a search warrant while investigating a burglary. The rightful owner of the items could not be determined or located. It has been determined that these items be treated as abandoned property.

Item 24:

The proposed lease agreements are for a four-year term and include a 2% increase each year.

The County Attorney's Office has reviewed the agreements and staff recommends approval.

## LEASE AGREEMENT

THIS LEASE AGREEMENT is made by and between the Goodhue County Board of Commissioners, Goodhue County Government Center Red Wing, Minnesota, hereinafter referred to as LESSOR, and the STATE OF MINNESOTA, Board of Public Defense, hereinafter referred to as LESSEE, acting for the benefit of the First Judicial District Public Defender.

WITNESSETH: LESSOR and LESSEE, in consideration of the rents, covenants and considerations hereinafter specified, do hereby agree each with the other as follows:

1. LEASED PREMISES

LESSOR grants and LESSEE accepts the lease of the following described Leased Premises located in the City of Red Wing, County of Goodhue, Minnesota, to-wit:

Approximately six hundred seventy five (675) usable square feet of office space in the Goodhue County Justice Center, at 454 West Sixth Street.

2. USE

LESSEE shall use and occupy the Leased Premises only as office space and for such related activities.

3. TERM

The term of this Lease Agreement is forty eight (48) months, commencing on July 1, 2019, and continuing through June 30, 2023.

4. PAYMENT OF RENT

4.1 As rent for the Leased Premises and in consideration for all covenants, representations and conditions of the Lease Agreement, LESSEE agrees to pay to LESSOR the sum of Fifty Three Thousand Six Hundred Forty Two Dollars and Twenty Five Cents (\$53,642.25) for the term of the Lease Agreement, in accordance with the rent schedule set forth below, each monthly payment to become due and payable at the end of each calendar month.

Lease Period	Square Feet	Rate Per Sq. Ft.	Annual Rent	Monthly Payment
July 1, 2019 to June 30, 2020	675	\$19.28	\$13,014.00	\$1084.50
July 1, 2020 to June 30, 2021	675	\$19.67	\$13,277.25	\$1106.44
July 1, 2021 to June 30, 2022	675	\$20.06	13,540.50	\$1128.38
July 1, 2022 to June 30, 2023	675	\$20.46	13,810.50	1150.88

4.2 LESSOR represents and warrants that it is solely entitled to all rents payable under the terms of this Lease Agreement.

5. TERMINATION

5.1 In the event that the Minnesota State Legislature does not appropriate to the Board of Public Defense funds necessary for the continuation of this Lease Agreement, or in the event that Federal Funds necessary for the continuation of this Lease Agreement are withheld for any reason, this Lease Agreement may be terminated by LESSEE upon giving thirty (30) days written notice.

5.2 Pursuant to Minnesota Statutes, Section 16B.24, Subdivision 6, this Lease Agreement is subject to cancellation upon thirty (30) days written notice by LESSEE for any reason except rental of other land or premises for the same use.

5.3 LESSEE covenants that at the termination of this Lease Agreement by lapse of time or otherwise, it shall remove its personal property and vacate and surrender possession of the Leased Premises to LESSOR in as good condition as when

LESSEE took possession, ordinary wear and damage by the elements excepted. Any equipment, trade fixtures or furniture installed by LESSEE, including but not limited to moveable partitions, shelving units, projection screens and audio-video equipment attached to the Leased Premises by LESSEE, shall remain the property of LESSEE. LESSEE shall have the right to remove the above equipment or fixtures at the expiration or termination of this Lease Agreement or any extension thereof, even though said equipment or fixtures are attached to the Leased Premises, provided that floor and wall surfaces are reasonably restored.

- 5.4 Either party may terminate this Lease upon thirty (30) days written notice to vacate to the other party. Should LESSOR need such space for other purposes, LESSOR will make every reasonable effort to accommodate LESSEE in comparable space at the Goodhue County Judicial Center if it is necessary for LESSOR to take back the current space.

- 6.13 Repairs: LESSOR shall make such necessary repairs so as to continue to provide all such service appurtenances as are required by this Lease Agreement, provided, however, that LESSOR shall not be responsible for repairs upon implements or articles which are the personal property of LESSEE, nor shall LESSOR bear the expense of repairs to the Leased Premises necessitated by damage caused by LESSEE beyond normal wear and tear.
- 6.14 Delivery of Leased Premises: LESSOR covenants that it will deliver the Leased Premises to LESSEE in a clean and sanitary condition with all services and appurtenances included within the scope of this Lease Agreement in effect and in good running order.
- 6.15 Quiet Enjoyment: LESSEE shall have the quiet enjoyment of the Leased Premises during the full term of this Lease Agreement and any extension or renewal thereof.
- 6.16 Taxes and Assessments: LESSOR shall be responsible for payment of all taxes and assessments upon the Leased Premises.

Utilities, within the meaning of this article, includes heat, cooling, electricity, water and all the sources of energy required to provide said service.

- 6.18 Exterior Lighting: LESSOR shall provide adequate exterior lighting in the parking lots, building entrance/exits and loading dock areas.
- 6.19 Accessibility: LESSOR agrees to provide and maintain the Leased Premises and the building of which the Leased Premises are a part with accessibility and facilities meeting code requirements for handicapped persons, pursuant to all applicable laws, rules, ordinances and regulations as issued by any federal, state or local political subdivisions having jurisdiction and authority in connection with said property.
- 6.20 Management: LESSOR agrees that in exercising its management responsibilities of the property of which the Leased Premises are a part, including the maintenance, repair, alterations and construction relating thereto, it shall comply with all applicable laws, statutes, rules, ordinances and regulations, including but not limited to building code, disabilities access, zoning, air quality, pollution control, recyclable materials and prevailing wage requirements, as issued by any federal, state or local political subdivisions having jurisdiction and authority in connection with said property.

7. DUTIES OF LESSEE

- 7.1 LESSEE shall allow access to the Leased Premises by LESSOR or its authorized representatives at any reasonable time during the life of this Lease Agreement for any purpose within the scope of this Lease Agreement.
- 7.2 LESSEE shall not use the Leased Premises at any time for any purpose forbidden by law.
- 7.3 LESSEE shall not assign, sublet, or otherwise transfer its interest in this Lease Agreement without the prior written consent of LESSOR.
- 7.4 LESSEE shall make no alterations, additions, or changes in the Leased Premises without the advance written consent of LESSOR. All alterations, additions, improvements and fixtures, which may be made or installed by LESSOR upon the Leased Premises and which in any manner are attached to the floors, walls or ceilings, at the termination of this lease shall remain the property of LESSOR, and shall remain upon and be surrendered with the Leased Premises as a part thereof, without damage or injury beyond normal wear and tear and floor covering affixed to the floor shall likewise become the property of LESSOR.
- 7.5 LESSEE agrees to observe reasonable precautions to prevent waste of heat, electricity, water, air conditioning any other utility or any service, whether such is furnished by LESSOR or obtained and paid for by LESSEE.
- 7.6 Smoking: Pursuant to Minnesota Statute 16B.24, Subd. 9 (1993), occupants of the Leased Premises shall not smoke nor permit smoking in the Leased Premises.

8. EXPANSION SPACE

In the event LESSEE leases any additional space elsewhere in the building, the rent for said space shall be calculated at the finished office space rate per square foot per year that is in effect under this Lease Agreement at that time, subject to changes in the rent set forth in Clause 4.1 of the Lease Agreement. LESSOR shall provide improvements to the expansion space comparable to the improvements provided to the space leased under this Lease Agreement. An amendment shall be executed setting forth the amount of such expansion space, the effective date of LESSEE'S right of occupancy, and the amount of additional rent that shall be due and payable to LESSOR.

9. USABLE SPACE MEASUREMENTS

It is understood by LESSOR and LESSEE that the rent schedule is based upon the number of usable square feet of space occupied by LESSEE. Usable square feet for purposes of the Lease Agreement and calculating rent shall be computed by measuring the inside finished surface of exterior walls to the inside finished surface of building corridor and other permanent walls or to the center of walls separating the Leased Premises from other tenant space. If more than 50% of an exterior wall is glass, the dimension is taken from the glass line. Vertical shafts, elevators, stairwells, dock areas, mechanical rooms, and utility and janitor rooms are excluded. Restrooms, corridors, lobbies and receiving areas which are accessible to the general public or used in common with other tenants are also excluded. No deductions are made for columns, pilasters or other projections to the building if each is less than four (4) square feet.

10. DESTRUCTION OF PREMISES

If the Leased Premises shall be destroyed or damaged by fire, tornado, flood, civil disorder, or any cause whatsoever, so that the Leased Premises become untenable, the rent shall be abated from the time of such damage and LESSEE shall have the option of terminating this Lease Agreement immediately or allowing LESSOR such amount of time as to LESSEE deems reasonable to restore the damaged Leased Premises to tenantable condition.

11. INSURANCE; LIABILITY

11.1 Property Damage. It shall be the duty of LESSOR and LESSEE to maintain insurance or self insurance on their own property, both real and personal. Notwithstanding anything apparently to the contrary in this Lease Agreement, LESSOR and LESSEE hereby release one another and their respective partners, officers, employees and property manager from any and all liability or responsibility to the other or anyone claiming through or under them by way of subrogation or otherwise for loss or damage covered by said insurance, even if such loss or damage shall have been caused by the fault or negligence of the other party, or anyone for whom such party may be responsible.

11.2 Liability. LESSOR and LESSEE agree that each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be

responsible for the acts of any others and the results thereof. LESSEE'S liability shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, Section 3.736, and other applicable law.

12. BUILDING ACCESS

LESSOR shall provide for access to the Leased Premises from 7:00 a.m. to 6:00 p.m., Monday through Friday. However, LESSOR shall provide for access to the Leased Premises seven days per week, twenty-four hours per day for authorized employees of LESSEE.

13. NOTICES

All notices, or communications between LESSOR and LESSEE shall be deemed sufficiently given or rendered if in writing and delivered to either party personally or sent by registered or certified mail addressed as follows:

Goodhue County Administrator  
509 West Fifth Street

Minneapolis, MN 55401

with a copy to the occupant of the Leased Premises.

All bills and statements from LESSOR to LESSEE shall be mailed or personally delivered to the occupant of the Leased Premises.

14. NEW LESSOR

In the event the Leased Premises or the building of which the same is a part shall be sold, conveyed, transferred, assigned, leased or sublet, or if LESSOR shall sell, convey, transfer, or assign this Lease Agreement or rents due under this Lease Agreement, or if for any reason there shall be a change in the manner in which the rental reserved hereunder shall be paid to LESSOR, proper written notice of such change must be delivered to LESSEE as promptly as possible. LESSEE'S "Transfer of Ownership of Lease" document shall be executed by the parties in order that the State of Minnesota, Department of Finance is provided with authorization to issue payments to a new party.

15. AUDIT

Pursuant to Minnesota Statutes, Section 16B.06, Subdivision 4, the books, records,

documents and accounting procedures and practices of LESSOR relevant to this Lease Agreement shall be subject to examination by the State and/or Legislative Auditor during normal business hours and after reasonable notice to LESSOR.

16. HUMAN RIGHTS

When applicable, LESSOR certifies that it has received a certificate of compliance from the Commissioner of Human Rights pursuant to Minnesota Statutes, Section 363.073, or that it has not had more than 20 full-time employees at any time during the previous 12 months and claims exemption from Minnesota Statutes, Section 363.073.

## **PUBLIC HEARING: Consider Adoption of Parks and Trails District**

[Goodhue County Zoning Ordinance](#)

### **Summary:**

LUM staff is proposing the adoption of a Parks and Trails District as a new zoning district within the Goodhue County Zoning Ordinance. The purpose of the zone is to provide an appropriate zoning district to apply to Goodhue County lands that are designated for permanent use as public open space, trails, and recreational areas.

Currently, parks and trails operated by governmental agencies are allowed as conditionally permitted uses in the Agricultural (A1, A2, A3) and Residential (R1) districts. A dedicated Parks and Trails district would provide an appropriate zoning district for current and future county recreational areas and trails and detail the types of uses which could be allowed in the district.

The request was considered at a Planning Advisory Commission public hearing on April 15, 2019. The Commission tabled the request to allow the Goodhue County Park Board to review the draft ordinance and provide feedback. The Park Board reviewed the proposal at their April meeting and did not recommend any changes to the ordinance as presented. The Planning Commission reconsidered the ordinance and unanimously recommended approval without changes at their May 13, 2019 meeting.

### **PAC Recommendation:**

The Planning Advisory Commission recommends the County Board adopt the staff report into the record, and recommend the County Board of Commissioners **APPROVE** the adoption of the Parks and Trails District.

# **ARTICLE 34 PT ZONE: PROPOSED ORDINANCE AMENDMENT**

RE: Representation for District 1 of Goodhue County

The Goodhue County Board of Commissioners currently operates without a representative for District 1, which is 18% of the county's population and 46% of the City of Red Wing's population. Those citizens of Red Wing lack a voice at the county level and are being denied a voice in critical decision making unless the County Board immediately completes the process it initiated to appoint an acting commissioner.

The current County Board of commissioners is functioning with disproportionate representation that— while giving lip service to representing the interests of many Red Wing citizens, the Prairie Island Indian Community, and Welch Township—acts solely to represent their own constituencies. Two commissioners representing districts distinct from the concerns of the City of Red Wing are denying representation to District 1 during a period when critical county issues affecting budgets, taxation, and agreements with the City of Red Wing should be discussed and decided.

In May, the County Board initiated a process that was intended to fill the vacancy in a timely manner and not leave the seat empty for up to ten months. That process was derailed when the same two commissioners created conditions for the appointment that included pledging not to run for office after the application deadline for the position had passed. As a result, District 1 in the City of Red Wing remains unrepresented.

This vacancy will likely last until February of 2020. Waiting to fill that vacancy for months denies District 1 representation during a critical budget planning period. Staff budget work and critical budget discussions with commissioners will continue through June, July, and August without a District 1 voice, disenfranchising those citizens of the city and the county. As has been said often, this is taxation without representation. Or perhaps more properly in this case: it is government paralysis without representation.

Five voices need to be present at the table for these tough discussions and decisions. All citizens need to be represented. We urge the County Board to immediately fill the District 1 vacancy so the business of government may advance with the representatives of all the people at the table.

Sincerely,

Sean Dowse
