Goodhue County Zoning Ordinance (GCZO):

## **Overview:**

The Applicant (Owner: Colleen Hill) has submitted a “change of zone” request involving a 15.23-acre parcel of property in Featherstone Township. The request is to rezone a 15.23-acre parcel from A3 (Urban Fringe District) to R1 (Suburban Residence District) to allow the potential to subdivide it in the future. The property cannot be split currently as it is zoned A3 which requires a minimum of 35 acres per parcel.

The map amendment application was tabled by the Goodhue County Planning Commission at their May 13, 2019 meeting to gather additional input from the city of Red Wing and Featherstone Township. The Applicant’s initial subdivision “sketch plan” proposed to split the property into 6 lots. Following feedback from the Featherstone Planning Commission, the Applicant reduced the number of proposed new lots to two.

Following the sketch plan alteration, the Applicant had the proposal reviewed at two Featherstone Township Planning Commission meetings (5/14/19 and 9/3/19) as well as a Featherstone Town Board meeting (9/10/19) (see attached Featherstone Township meeting minutes) and the Township

is not opposed to the amended application. The city of Red Wing also reviewed the sketch plan amendments and have provided a letter stating they are not opposed to the rezone with the reduced number of lots.

It is important to note that the Applicant is currently only requesting to rezone the property to R1 to allow him the opportunity to request to subdivide the parcel via the platting process in the future. The platting process requires an additional public hearing by the Planning Commission to review the proposed number of lots, sizing, configuration, access, drainage, and landscaping.

### **Project Summary:**

#### **Property Information:**

- The subject property consists of a single parcel comprising 15.23 acres. The applicant also owns an abutting property (Parcel #311100020 – approximately 1.05 acres), located within the Comstock 2<sup>nd</sup> Addition (residential subdivision). This lot is already within an R-1 Zone and provides a means of connecting to Bluebird Lane (a Township Road).
- The property is currently zoned A3. Adjacent properties to the north, south, and west are zoned A3; residential subdivision to the east is zoned R-1.
- The subject property is surrounded by residential development and wooded open space. The subject property is located immediately west of the Comstock 2<sup>nd</sup> Addition and the Comstock Subdivision.
- The properties are not located within a Historic Preservation District. It is not anticipated that any scenic or historic amenities will be negatively impacted as a result of the proposed rezone.
- The parcel is not designated Shoreland or Floodplain. There are some steep slopes and areas that qualify as Blufflands along the northern portion of the parcel. Blufflands and tree and vegetative alterations are regulated by Goodhue County's Zoning Ordinance. Any future disturbance to these natural features would be required to conform to the requirements in place designed to protect these sensitive areas from the potential negative impacts of development.
- The Applicant has made Featherstone Township Clerk (Chuck Schwartau) aware that they have applied to the County for the Change of Zone. The Applicant will attend a Township Board Meeting to be held on May 14, 2019. The Township currently has the property zoned: R-1. Generally, Featherstone Township has been receptive to residential development in Section 1.

#### **Proposed Uses:**

- The Applicant has included a concept plan with the Zoning Map Amendment request indicating their intent to subdivide the property into six residential lots served by a cul-de-sac street extending from Bluebird Lane to the east. The concept plan includes proposed lot sizes ranging from 1.8 acres to 3.8 acres. One of the proposed lots would include the existing dwelling currently located on the property. If the Zoning Map Amendment is approved, the Applicant intends to make application to subdivide the property including submittal of Preliminary and Final Plats including information referenced within the County's Subdivisions Controls Ordinance.

#### **Planning Information:**

- The R1 District is intended to provide a district that defines and protects areas suitable for low to medium density residential development as the principal use of the land and to allow related facilities desirable for a residential environment. It is also intended that the district allows varying densities of development in accordance with the ability to provide water and sewer facilities.
- The property is currently used as a dwelling site and is mostly wooded with a few acres of pasture land. There are no registered feedlots on the property or within 1000 feet of the parcel. There are no soils within the parcels that are recognized as prime farmland of statewide significance.
- The proposed rezone appears compatible with the goals and objectives of the Goodhue County Comprehensive Plan:  
"Support the establishment of rural residences to provide rural living opportunities in the

unincorporated areas of Goodhue County”

*“Soils with Prime Farmland Rating shall be protected from residential development whenever possible”*

- Section 1 includes a combination of A-3 and R-1 Zoned Areas. Currently, there are 70 dwellings located within Section 1. The Applicant has consulted with City of Red Wing Planning and has indicated that the City is not interested in annexing the subject property. The City has been mailed a public notice for this item.

**PAC Recommendation:**

The Planning Advisory Commission recommends the County Board of Commissioners

- adopt the staff report into the record;
- accept the application, testimony, exhibits, and other evidence presented into the record; and

**APPROVE** the map amendment request from Colleen Hill (Property Owner) to rezone parcel 31.001.43000 from A3 (Urban Fringe District) to R1 (Suburban Residence District).

#### **TABLED: Request for Map Amendment (Rezone)**

Request for a map amendment, submitted by Colleen and Douglas Hill (Owners), to rezone 15.23 acres from A3 (Urban Fringe District) to R1 (Suburban Residence District). Parcel 31.001.4300. 1790 Bluebird Lane, Red Wing, MN 55066. Part of the NW  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  of Sect 01 Twp 112 R15 in Featherstone Township.

*Bechel presented the staff report and attachments.*

*Commissioner Stenerson questioned what the plan for annexation into the City of Red Wing is for this property.*

*Amy Anderson (Attorney for the Applicants) stated that the Applicant has not approached the City of Red Wing regarding formal annexation at this time. She added that the Applicant is focused on rezoning the property on the agenda but the letter included in the packet was to address any concerns the City may have. She noted that the parcel on the agenda is not proposed to be annexed.*

*Commissioner Stenerson asked for clarification that the two parcels on Pioneer Road are not proposed to be rezoned.*

*Staff confirmed that the only parcel proposed for rezoning is the larger parcel.*

*the larger parcel.*

*Ms. Anderson commented that there may be a waterway running through the parcels on Pioneer Road which may be part of the City's watershed. She added it would be hard to develop that area without negatively impacting the watershed.*

*Bechel gave a history on the project proposal, detailing conversations between the Applicant, the City of Red Wing and Goodhue County officials regarding access to the property and the proposed number of lots.*

*Commissioner Stenerson commented on the Township's struggles with small residential developments and their sewer systems. He added that the Township would not want to be responsible for utilities to these areas and noted that he would prefer to see this property be annexed into the City of Red Wing.*

**<sup>3</sup>It was moved by Commissioner Stenerson and seconded by Commissioner Nystuen for the Planning Advisory Commission to:**

- Adopt the staff report into the record;
- Accept the application, testimony, exhibits and other evidence presented into the record; and

Recommend that the County Board of Commissioners **APPROVE** the map amendment request from Colleen Hill (Property Owner) to rezone parcel 31.001.4300 from A3 (Urban Fringe District) to R1 (Suburban Residence District).

**Motion carried 7:0.**

**PUBLIC HEARING: CUP Request for Feedlot Expansion and Liquid Manure Storage Exceeding 500,000 Gallons (Circle K Family Farms)**

Request for CUP amendment, submitted by Circle K Family Farms (owner/operators), for an estimated 815 Animal Unit expansion of an existing 2059 Animal Unit swine Feedlot and construction of animal waste storage pits exceeding 500,000 gallons. Parcel 26.011.0501. 35559 CTY 45 BLVD, Lake City, MN 55041. Part of the S ½ of the NW ¼ and the N ½ of the SW ¼ of Sect 11 Twp 111 R14 in Belvidere Township. A2 Zoned District.

*Bechel presented the staff report and attachments.*

*Commissioner Nesseth questioned whether there would be more truck traffic on the road.*

*Yon Kohlnhofer (Applicant) stated that they would not be adding additional grain storage at the site therefore they will not make more tonnage that leaves the farm as more tonnage will be needed on the farm. He added that the majority of the manure that leaves the site leaves in a drag line system and they hope to continue that process to limit traffic. He noted they are weaning only two times per week instead of three times per week which takes away one truck. He noted that they understand there is truck traffic created by the farm.*

*Commissioner Stenerson commented on the proposed manure storage capacity and questioned at what point the local land capacity would no longer be able to handle that capacity.*

*Yon stated that the capacity of the storage facility is over-exaggerated because it is measured from bottom to top however the manure has to stay below the slats and beams so the animals are not standing in manure. He added there is a point that a farm could create more manure than it can handle with a hose, however they are not near that point.*

*Dwayne Berg (1570 Blue Jay Court, Red Wing) wanted to ensure the natural gas line was considered in the development process.*

*Pete Eberline (1750 Bluebird Lane, Red Wing) stated runoff has impacted his property. Concerned about groundwater impacts.*

**Motion carried 9:0.**

*Mr. Hill stated that the new development would have to work with Northern Natural Gas regarding the location of structures relative to the gas line. He gave history on the drainage in the area. They are aware a retention pond may need to be created to address drainage and runoff. Mr. Hill noted no stormwater drains are contemplated in the new subdivision at this time, the streets would be constructed similar to the existing roads. He acknowledged the traffic concerns of the neighbors. He stated that there would be protective covenants put in place for the new subdivision to address traffic concerns and to maintain the low density of the proposed subdivision which would not lead to as much traffic. Mr. Hill offered to sell the property as-is for a fair price to a neighborhood group for use as a neighborhood park.*

*Commissioner Stenerson commented on the traffic concerns and noted that those are a Township issue. He also noted that runoff can be an issue however that can be addressed in the platting process. Complimented the proposed lot size. Stated concerns regarding compliance with the Comprehensive Plan of the County and A3 zoning district. Concerned about sewage system failure in smaller developments. Would like to hear from the City regarding future annexation or development.*

*Mr. Hill stated that he has no issues with the potential of being annexed. Noted he has spoken with City of Red Wing staff and they stated they did not want to have a road through the ditch and did not want to have their trucks going through Featherstone Township to maintain the new area.*

*Commissioner Stenerson suggested that tabling the item could give time for more answers from the city and/or the township regarding this development. Commissioner Fox agreed.*

*Commissioner Gale questioned the difference between the Township's R1 Zone versus the County's R1 Zone.*

*Commissioner Stenerson commented that the Township enforces the R1 Zone slightly different than the County.*

*Bechel clarified that a park would be allowed in the R1 Zone but would not be permitted in the A3 Zone.*

**It was moved by Commissioner Stenerson and seconded by Commissioner Nystuen for the Planning Advisory Commission to:**

*Commissioner Stenerson questioned about the approval of the split creating a non-conformance regarding the setback to the existing dwelling.*

*Wozniak clarified County procedures regarding approving splits of feedlots from dwelling sites. He clarified that a variance is needed to address the setback from the newly created feedlot if the CUP is approved.*

**Chair Pettit opened the Public Hearing.**

*Matt Voxland with Holden Township stated that the Township is not necessarily in favor of this proposal. Stated that the split of a feedlot from a dwelling could create several issues. Stated that Holden Township has been against establishing stand-alone farmyards.*

**<sup>5</sup>After Chair Pettit asked three times for additional comments it was moved by Commissioner Stenerson and seconded by Commissioner Fox to close the Public Hearing.**

**Motion carried 9:0.**

*Commissioner Pettit stated that if the CUP were approved, the Planning Commission would thereby be creating the need for a variance. She also noted that the stated need for a CUP is for financial reasons, which is against the Ordinance.*

*Bechel noted that the operation was established prior to the feedlot standards being adopted therefore the adoption of current feedlot regulations by the county created the hardship.*

*Mr. Fletcher stated that his goal is to sell both split properties to the same owner.*

*Commissioner Nesseth questioned whether the feedlot is currently operating.*

*Mr. Fletcher stated it is currently operating and has been in existence since the late 1980s without issue.*

*Commissioner Pettit stated that approving the CUP opens up the possibility of two separate owners in the future which is not compatible and is against the Comprehensive Plan goals of protecting agriculture.*

*Commissioner Stenerson gave a history of a Board of Adjustment issue when a "reverse variance" was issued in a situation where a property was proposed to become a feedlot but was too close to a home owned by a different party. Noted that the concern is about any future owner selling the properties separately from each other due to unforeseen circumstances.*

*Commissioner Pettit asked for direction from the board.*

**<sup>6</sup>It was moved by Commissioner Stenerson and seconded by Commissioner Miller to:**

Recommend that the County Board of Commissioners **DENY** the request for a CUP, submitted by Edward Fletcher (owner), to operate a Feedlot outside of a farmyard to allow a dwelling to be split from an existing Feedlot, based upon the necessity of a variance if the Conditional Use Permit were passed.

## NOTES ON PROPOSED PROPERTY SPLIT

**8/14/2019**

The subject property was purchased from Colleen's parents, Tom and Margaret Comstock in 1986. The property has not been under till for at least 50 years, due to poor soil quality. The included parcels are:

PARCEL NUMBER	DEEDED ACRES	ZONING	DESCRIPTION	BUILDING STATUS
310013201	3.29	A3	Property is accessed from Pioneer Road	One approved residential building site. No buildings are on the site.
310013401	0.62	A3	Property is accessed from Pioneer Road	One approved residential building site. No buildings are on the site.
310014300	14.91	A3	Property is accessed through easement on 311100020.	One approved residential building site. One residence on the site.
311100020	N/A	R1	Lot is part of Comstock's Addition. Platted lot 2 plus 30 ' of lot 3	Approved, platted, building site. No buildings are on the site.

We constructed a home in 1986 and added outbuildings during the time we lived in the home. The home has been rented for 20 years, with the anticipation we might return to Red Wing. As a result of family circumstances, this will not be possible. We no longer wish to be long-distance landlords, but would like to keep the non-occupied property for potential future sale.

After meetings with Goodhue County, the City of Red wing, the Goodhue County Planning Commission, and Featherstone Supervisors, the original plan to divide parcel 310014300 into 6 parcels seems to not be viable.

As a result of these meetings, a consensus plan that seems to work is as follows:

- Parcels 310013201 and 310013401-Offer for sale with possible annexation to Red Wing.
- Parcel 310014300-We are requesting that this parcel be split into 2 large-acreage buildable lots. The northern lot is approximately 8 acres and contains all existing buildings on the Parcel. The southern lot would be approximately 7 acres of level land. Currently, there are no buildings on this property. The Goodhue County Zoning Ordinance allows for a properly recorded shared driveway access easement of 66 feet to access a maximum of 2 lots that do not front on a public road (Article 21, Section 5, Subdivision 4,B).
- Parcel 311100020- This lot is a combination of original lots 2 and 3 and as such would provide a 66 foot shared-driveway easement to Parcel 310014300. The existing lot is 50,500 square feet with 250 feet of road frontage. After allowing for a 66 foot easement for a shared driveway, the lot measures 38,500 square feet with 184 feet of frontage. After allowing for the easement, the lot fully complies with Goodhue County zoning requirements (Article 24, Section 5) of 20,000 square foot minimum lot size, minimum width of 100 feet (actual is 190 feet), and minimum depth of 125 feet (actual is 200 feet). Per Goodhue County Zoning Ordinance (Article 21, Section 5, Subdivision 4,A) the minimum road frontage required is 33 feet (actual is 190 feet after deducting for the easement). This lot would continue to be a buildable lot, as it currently exists.

We are attaching sketch drawings for your review.

Thank you for your consideration,

Doug and Colleen Hill

Ryan,

On Tuesday night the Featherstone Town Board approved the concept of splitting the property into 2 parcels. The only requests they had was a review of the easement agreement for access to the two properties and that the driveway serving the platted lot be accessed through the same road entrance as the easement to avoid adding another entrance off of Bluebird Lane.

I have also received a letter of approval from Red Wing ( attached).

I believe that we can now reactivate the change in zoning request submitted earlier. Could you please take care of this and outline the procedures I need to follow?

Assuming this is approved, is my next step to submit the plat of the property? What is the schedule for doing this? Can such a plat be prepared prior to a physical survey of the property? I would prefer not to invest the money into a survey until I am certain that a plat is approved.

Thank you for your persistence and all of your help!

RE: Proposed Property Subdivision

I am in receipt of your most recent email dated September 5, 2019 regarding a proposed property subdivision that you are processing with Featherstone Township and Goodhue County. I am also in receipt of Ryan Bechel's email dated September 9, 2019 that refers to a potential (county) rezoning to R1.

The city is in general support of this proposed action, which would meet our standards as it relates to low density residential property. The city's Agricultural Residential (AG) zoning district allows residential lots at a minimum of five acres. If any portion of this property were to be annexed into the city, it would likely be zoned to Single Family Residential (R-1), which has a minimum lot size of 7,200 square feet. The proposed 66' wide easement should adequately provide access across PID 31.110.0020 to the proposed future lots to the west. Other parcels adjacent to Pioneer Road would need access from that street.

Please contact me or Steve Kohn if you have further questions at 651-385-3697, or at [dan.rogness@ci.red-wing.mn.us](mailto:dan.rogness@ci.red-wing.mn.us).

Request for map amendment, submitted by Larry Thomforde (Buyer) and the Goodhue County Agricultural Society (Owner), to rezone 1.10 acres from A3 (Urban Fringe District) to R1 (Suburban Residence District).

Project Review (Rezone)

Goodhue County Zoning Ordinance (GCZO):

<http://www.co.goodhue.mn.us/DocumentCenter/View/2428>

### **Summary:**

Mr. Thomforde's primary residence is located within the Sugar Loaf Estates residential plat adjacent to the subject property which is currently owned by the Goodhue County Agricultural Society. Mr. Thomforde would like to construct an accessory shed on his property to provide personal storage space. Due to the location of existing improvements as well as the physical limitations of his parcel Mr. Thomforde has negotiated a purchase agreement with the Agricultural Society to buy 1.10 acres along the eastern boundary of his parcel that would provide a flat, accessible area to construct the shed.

The property to be acquired is zoned A3 (Urban Fringe District) which requires a minimum parcel size of 35 acres. To avoid creating a new non-conforming parcel, Mr. Thomforde would be required to combine the 1.10 acres with his existing parcel. Given Mr. Thomforde's property is R1 (Suburban Residence District), he is requesting the rezone to R1 to match his property's zone to improve compatibility and prevent the creation of a split-zoned parcel. As an additional benefit, the rezone would allow him to take advantage of the reduced structure setback distances within the R1 District.

Mr. Thomforde's property is within an existing platted area and the 1.10 acres proposed to be acquired is unplatted. The only way to combine platted property with unplatted property is through the platting process. Because a rezone is needed, the Goodhue County Subdivisions Controls Ordinance requires the plat request be reviewed through the "formal" platting process. Mr. Thomforde has submitted a request for preliminary and final plat approval in conjunction with this request.

**Project Summary:**

**Property Information:**

- The subject property is currently 40.14-acres. The Applicants have a purchase agreement to split off the western 100 feet of the parcel comprising 1.10 acres.
- The property is currently accessed via CTY 6 BLVD on the east side of the property. Mr. Thomforde intends to utilize his existing driveway off of Sugarloaf Parkway to access the property in the future.
- The subject parcel is currently zoned A3. Adjacent zoning districts are A3 to the east, south, and west; R1 to the north (Sugarloaf Estates subdivision). The Zumbrota city limits abut the parcel's southern border. The Goodhue Pioneer State Trail also crosses along the southern border.

The area is characterized by primarily low-density residential uses mixed with medium-to-low intensity recreational and agricultural uses. Rezoning the 1.10 acres to R1 would not appear to have any substantial cumulative impacts to existing or potential future uses of the surrounding zoning districts.

- The property is not located within a Historic Preservation District. It is not anticipated that any scenic or historic amenities will be negatively impacted as a result of the proposed rezone.
- The southerly portion of the property is within the Floodplain of the North Fork of the Zumbro River. Floodplain development is regulated by the Goodhue County's Zoning Ordinance and any development proposals would be required to conform to the standards in place. Mr. Thomforde's proposed future use of the property is outside of the Floodplain designated areas.
- The property is not designated shoreland and there are no mapped Bluffland areas.

**Existing/Proposed Uses:**

- The eastern half of the property is the site of the Goodhue County Fairgrounds which hosts a variety of community events/functions. The remainder of the property, including the portion Mr. Thomforde proposes to buy, is agricultural land. The proposed future use of the property is to construct an accessory storage shed.

**Planning Information:**

- The R1 District is intended to provide a district that defines and protects areas suitable for low to medium density residential development as the principal use of the land and to allow related facilities desirable for a residential environment. It is also intended that the district allows varying densities of development in accordance with the ability to provide water and sewer facilities.
- A portion of the property is currently used for row-crop agricultural purposes. There are no registered feedlots on the property or within 1,000 feet of the parcel. The new R1 District would be greater than 1,000 feet from all existing registered Feedlots (including the Goodhue County Fair barns).

Mr. Thomforde explored acquiring only the minimum area necessary to construct his proposed building, however, the sellers preferred to maintain a "straight" boundary line along the west line which led to the agreement to acquire the western 100 feet of the property.

- The Prime Farmland Rating for Agriculture is as follows:

<i>Soil Name</i>	<i>Slope</i>	<i>Amount (acres)</i>	<i>% of Total</i>	<i>Prime Farmland Rating</i>
Chelsea Loamy Sand	2-6%	0.5	45%	Not Prime Farmland
Richwood Silt Loam	1-6%	0.6	55%	Prime Farmland

- The proposed rezone appears compatible with the goals and objectives of the Goodhue County Comprehensive Plan:

"Support the establishment of rural residences to provide rural living opportunities in the unincorporated areas of Goodhue County"

Goodhue County does not have an official future land use map.

- Mr.Thomforde is proposing to combine the rezoned property with his existing parcel which contains his primary residence so no additional dwelling density would be created. If the Applicant were to propose to split the property in the future, a formal platting process would be required which would necessitate additional public review/approval.

Rezoning the parcel to R1 would not affect the existing dwelling development eligibility of surrounding A3 parcels.

**City of Zumbrota:**

- LUM Staff contacted the city of Zumbrota regarding the request and will update the Planning Commission with any comments received.

The Planning Commission will hold a public hearing to review the request on 11/18/19. LUM staff will present a summary of comments received as well as an updated recommendation to the County Board. LUM staff's recommendation to the Planning Commission is provided below.

**Staff Recommendation:**

LUM Staff recommends the Planning Advisory Commission

- adopt the staff report into the record;
- accept the application, testimony, exhibits, and other evidence presented into the record; and

recommend that the County Board of Commissioners **APPROVE** the map amendment request from Larry Thomforde (Buyer) and the Goodhue County Agricultural Society (Owner) to rezone 1.10 acres from A3 (Urban Fringe District) to R1 (Suburban Residence District).

Subject to the following condition:

1. The 1.10 acres to be rezoned shall be platted and combined with PID 38.105.0030

## **Project Review per Article 3, Section 2, Subd. 5-10:**

- Subd. 5
- A. The names and addresses of the petitioner or petitioners and their signatures to the petition. **See application**
  - B. Survey information: **See application**
  - C. The current and proposed district: **A3 to R1**
  - D. The current use and the proposed use of the land.

**The property has 2 primary existing uses including the site of the Goodhue County Fairgrounds which hosts a variety of community events/functions. The remainder of the site is agricultural land. The proposed future use of the property is to construct an accessory storage shed. Mr. Thomforde explored acquiring only the minimum area necessary to construct his proposed building, however, the sellers preferred to maintain a “straight” boundary line along the west line which led to the agreement to acquire the western 100 feet of the property.**

- E. The reason for the requested change of zoning district. **The applicant is requesting the zone change to allow to combine it with his existing parcel to provide a space to construct an accessory storage building.**
- F. A copy of the soil map showing the soils types within the proposed boundary and the surrounding area. **A soils map for the site has been prepared.**
- G. Prime Farmland Rating of the soil types in F.
  - The Prime Farmland Rating for Agriculture is as follows:

Chelsea Loamy Sand	2-6%	0.5	45%	Not Prime Farmland
Richwood Silt Loam	1-6%	0.6	55%	Prime Farmland

H. A statement of how the requested change is compatible with the Goodhue County Comprehensive Plan including but not limited to the following:

1. The environmental impacts of the proposed use of land on the:
  - a. Groundwater
  - b. natural plant and animal communities
  - c. existing trees and vegetation
  - d. Bluffland stability
  - e. shoreland stability
1. **The property is not designated shoreland and there are no mapped Bluffland areas. The southerly portion of the property is within the Floodplain of the North Fork of the Zumbro River. Floodplain development is regulated by the Goodhue County’s Zoning Ordinance and any development proposals would be required to conform to the standards in place. Mr. Thomforde’s proposed future use of the property is outside of the Floodplain designated areas.**
2. The compatibility with surrounding land uses
 

**The area is characterized by primarily low-density residential corridor mixed with medium-to-low intensity recreational and agricultural uses. Rezoning the 1.10 acres to R1 would not appear to have any substantial negative impacts to the existing or potential future uses of the surrounding zoning districts.**

3. The physical and visual impacts on any scenic or historic amenities within or surrounding the proposed parcel.

**It is not anticipated that any scenic or historic amenities will be negatively impacted as a result of the proposed rezone.**

Subd. 6 The housing density of the affected Section

**Mr. Thomforde is proposing to combine the rezoned property with his existing parcel which contains his primary residence so no additional dwelling density would be created. If the Applicant were to propose to split the property in the future, a formal platting process would be required which would necessitate additional public review/approval. Rezoning the parcel to R1 would not affect the existing dwelling development eligibility of surrounding A3 parcels.**

Subd. 7 The impact on any surrounding agricultural uses

**The property is currently used for row-crop agricultural purposes. There are no registered feedlots on the property or within 1,000 feet of the parcel. The new R1 District would be greater than 1,000 feet from all existing registered Feedlots.**

**Mr. Thomforde explored acquiring only the minimum area necessary to construct his proposed building, however, the sellers preferred to maintain a "straight" boundary line along the west line which led to the agreement to acquire the western 100 feet of the property.**

Subd. 8 The impact on the existing transportation infrastructure

**The property is currently accessed via CTY 6 BLVD on the east side of the property. Mr. Thomforde intends to utilize his existing driveway off of Sugarloaf Parkway to access the property in the future. The change of zone is not anticipated to negatively impact traffic or existing transportation infrastructure.**

Subd. 9 The impact on surrounding zoning districts

**The property is currently zoned A3. Adjacent zoning districts are A3 to the east, south, and west; R1 to the north (Sugarloaf Estates subdivision). The Zumbrota city limits abut the southern border of the subject parcel.**

Subd. 10 A statement concerning the cumulative effect and compatibility of the requested zoning change on the affected Township and any cities located within 2 miles of the proposed parcel.

**Rezoning the subject parcel to R1 does not appear to have negative cumulative effects on the immediate surrounding area or the City of Zumbrota. The area is characterized by primarily low-density residential uses mixed with medium-to-low intensity recreational and agricultural uses. Rezoning the 1.10 acres to R1 would not appear to have any substantial negative impacts to the existing or potential future uses of the surrounding zoning districts.**

Subd. 11. Additional information as may be requested by the Planning Commission or zoning staff.

Goodhue County Zoning Ordinance (GCZO):

<http://www.co.goodhue.mn.us/DocumentCenter/View/2428>

**Summary:**

Larry Thomforde (Applicant) owns a 2.85-acre parcel within the Sugarloaf Estates subdivision in Minneola Township. He would like to construct an accessory shed on his property to provide personal storage space. Due to the location of existing improvements as well as the physical limitations of his parcel Mr. Thomforde has negotiated a purchase agreement with the Agricultural Society to buy 1.10 acres along the eastern boundary of his parcel that would provide a flat, accessible area to construct the shed.

The property to be acquired is unplatted and zoned A3 (Urban Fringe District) which requires a minimum parcel size of 35 acres. To avoid creating a new non-conforming parcel, Mr. Thomforde would be required to combine the 1.10 acres with his existing parcel. The only way to combine platted property with unplatted property is through the platting process.

Because Mr. Thomforde is also requesting to rezone the 1.10 acres from A3 to R1 in conjunction with this request, the Goodhue County Subdivisions Controls Ordinance mandates the plat request be reviewed through the “formal” platting process.

**Project Summary:**

**Property Information:**

- The 2.85-acre property consists of an existing homestead and some undeveloped woodlands/prairie. The existing dwelling is the applicant’s primary residence.
- The property is zoned R1. The 1.10 acres to be acquired is currently zoned A3 but the Applicant has applied to rezone the property to R1. Adjacent zoning districts are A3 to the east, south, and west; R1 to the north (Sugarloaf Estates subdivision). The Zumbrota city limits abut the parcel’s

southern border. The Goodhue Pioneer State Trail also crosses along the southern border.

- The southerly portion of the property is within the Floodplain of the North Fork of the Zumbro River. Floodplain development is regulated by the Goodhue County's Zoning Ordinance and any development proposals would be required to conform to the standards in place. Mr. Thomforde's proposed future use of the property is outside of the Floodplain designated areas.
- The property is not designated shoreland and there are no mapped Bluffland areas.
- The property is not a Registered Feedlot and the nearest Registered Feedlot is located greater than 1000 feet from the proposed plat.
- Mr. Thomforde is proposing to combine the rezoned property with his existing parcel which contains his primary residence so no additional dwelling density would be created. If the Applicant were to propose to split the property in the future, a formal platting process would be required which would necessitate additional public review/approval.

Rezoning the parcel to R1 would not affect the existing dwelling development eligibility of surrounding A3 parcels.

**Access/Traffic:**

- The existing dwelling is accessed off Sugarloaf Parkway to the north. No new access drives are proposed.

**Water/Wastewater:**

- The property currently has a single-family dwelling served by a private well and septic system. No additional sanitary facilities are needed for the plat as proposed.

**Minneola Township/City of Zumbrota:**

- The Minneola Township chair endorsed the application plat application on 10/17/19. No specific comments/conditions were offered.
- LUM Staff contacted the city of Zumbrota regarding the request and will update the Planning Commission with any comments received.

**The Planning Commission will hold a public hearing to review the request on 11/18/19. LUM staff will present a summary of comments received as well as an updated recommendation to the County Board. LUM staff's recommendation to the Planning Commission is provided below.**

**Staff Recommendation:**

LUM Staff recommends the Planning Advisory Commission

- adopt the staff report into the record;
- accept the application, testimony, exhibits, and other evidence presented into the record; and

Recommend that the County Board of Commissioners **APPROVE** the request submitted by Larry Thomforde (Buyer/Owner) for Preliminary and Final Plat approval of the proposed Sugarloaf Estates First Addition.

**RE:** Buffer Compliance Update

**Links:** <https://www.co.goodhue.mn.us/DocumentCenter/View/14388/Shoreland-Buffer-Administrative-Procedures?bidId=>

## **Update**

Since 2017, staff has sent numerous letters to non-compliant landowners reminding them of the Buffer law requirements and associated penalties if they do not become compliant.

In December 2018, staff sent a Corrective Action and Administrative Order letter for 43 parcels considered non-compliant to 37 landowners. This letter gave the landowners until November 1, 2019 to come into compliance without a penalty. We sent a reminder, Final Notice letter, on September 25, 2019 to 24 parcels (21 landowners). As of November 13, 2019, we still have 18 parcels (14 landowners) who are not compliant. Of those 14 landowners, 7 have indicated they will take action yet this fall to become compliant and 2 have already seeded their buffers and need verification in the spring of 2020. The remaining 5 landowners have made no efforts to become compliant under the Buffer Law.

## **Next Steps**

According to our Administrative Procedures (see Link above), the parcels will start accruing penalties on December 1, 2019 as follows:

Initial Buffer Violation Penalty	
0-11 months after issuance of Corrective Action Notice	\$0.00
0-6 months following the time period specified in the Corrective Action Notice	\$50 per parcel per month
7+ months following the time period specified in the Corrective Action Notice. This penalty shall continue until the corrective action has been satisfied	\$200 per parcel per month
Repeat Buffer Violation Penalty	
0-6 months following the time period specified in the Corrective Action Notice	\$50 per parcel per day
7+ months following the time period specified in the Corrective Action Notice. This penalty shall continue until the corrective action has been satisfied	\$200 per parcel per day

Staff is scheduled to meet on December 11, 2019 to discuss misdemeanor charges.

RE: County Ditch 1 Attorney Services

## **Summary**

Staff had a phone conference with Kale Van Bruggen from Rinke Noonan law office to discuss their services to represent the County in the upcoming County Ditch 1 process.

## **Background:**

County Ditch 1 was constructed in 1955 in Sections 28,29,30,31,32, and 33, T109N, R18W (Kenyon Township). The County has done minimal maintenance to the Ditch since construction. We have been made aware that other drain tiles have been added to the system without going through the appropriate process, and that we should be evaluating the functionality of the entire system.

We are in the process of surveying the ditch and comparing it to the design to see what maintenance needs to occur to keep it working as it was designed.

The Rinke Noonan law firm has extensive experience in ditch law in Minnesota. We contacted them earlier this year and they submitted a Retainer Agreement. Staff spoke with Mr. Van Bruggen on November 5, 2019 about the process and the fee schedule.

It would be in the County's best interest to retain this law firm to represent us and guide us through the process. After our surveying and engineering review is completed, we will discuss the results with the attorneys and schedule a meeting with the County Board to layout the process moving forward.

Staff has also requested \$100,000 to be included in the 2020 budget designated for the Ditch project. Fees associated with this project will be assessed back to those landowners benefitting from the Ditch.

## **Staff Recommendation:**

Retain the law firm of Rinke Noonan as our counsel for the County Ditch 1 project and execute the Retainer agreement using Proposal Option 2.

**Re: 2019 Retainer Agreement**

Dear County Commissioners and Mr. O'Keefe:

Thank you for considering Rinke Noonan Law Firm to serve as legal counsel to Goodhue County ("County") in its capacity as a public drainage authority under Minnesota Statutes, chapter 103E. Prior to Mr. Betcher retiring, he requested I send you Rinke Noonan's retainer agreement for our public drainage authority clients. I have since been in contact with Mr. O'Keefe. This letter covers the terms of our public drainage authority representation.

If you have any questions regarding this letter or would like our attendance at an upcoming County Board meeting, do not hesitate to contact me.

Should the County retain Rinke Noonan Law Firm, our representation is limited to the matter as described below. To the extent the County desires to engage our firm to represent it regarding other matters, the County will be required to sign a separate engagement agreement describing the scope of that representation prior to our initiation of services. It is our policy to confirm in writing the nature of the engagement and the terms of our legal representation.

**Identification of Parties:** This Engagement Agreement is made between Rinke Noonan Law Firm, hereinafter referred to as "Law Firm," or "We" or "Our" or "Us" and Goodhue County public drainage authority, hereinafter referred to as "You" or "Client(s)" or the "County."

**Scope of Representation:** We have been engaged to represent the County for the purpose of advising it on matters related to its duties, authorities, and responsibilities as the public drainage authority for Goodhue County pursuant to Minn. Stat. chapter 103E. We will open a general public drainage matters file for general consultation, simple verbal and written opinions, and basic training as requested by the Board. We will open a separate subfile for each specific public drainage proceeding before the Board. Notice will be sent that a new file has been opened and whether any special terms different than those in this agreement will be used.

**Legal Fees and Billing Statements:** Depending on the billing option you choose below, we will either submit a bill to you every thirty days or as work on a matter is completed. Expenses will be separately stated on the bill and our fees will be charged as indicated below. Our billing statements are due and payable upon presentation, and are overdue if not paid by the due date set forth on the statements.

Unless notified otherwise, all billing statements will be addressed to the attention of the County Finance Director at Goodhue County Government Center, 509 West Fifth Street, Red Wing, MN 55066.

You are responsible for payment of all legal fees, expenses, and disbursements. Please see the "Expenses" provision and "Late Payment and Failure to Pay" provision of this agreement for further information.

You can choose between the two following payment options:

**1. PROPOSAL OPTION ONE – MONTHLY RETAINER + HOURLY SERVICES:**  
We can offer a monthly retainer arrangement of \$200 per month, which covers simple verbal and written opinions for Commissioners and staff. Work performed outside the scope of the flat monthly retainer fee would be billed according to the discounted hourly rates for government clients described below.

**2. PROPOSAL OPTION TWO - HOURLY SERVICES ONLY:** All work performed for the drainage authority as described in the Scope of Representation above would be billed according to the discounted hourly rates for government clients described below.

**Hourly Rate:** In order to meet the unique needs of our public-sector clients, Rinke Noonan provides a reasonable discount in rates when compared with advice to private clients. Our normal hourly rates for attorneys range from \$250 to \$385 per hour for private clients. Currently, our rates for our governmental clients for 2019 are as follows:

- \$285 per hour for the services of senior attorneys;
  - \$235 per hour for the services of associate attorneys; and
  - \$95 to \$155 per hour for the services of paralegals and legal technicians.
- No charge is imposed for clerical staff.

From time to time, it is necessary to adjust our hourly rates to compensate for increased experience factors or for inflationary cost increases in our economy. We will, of course, notify the County of such adjustments which are reviewed on a yearly basis.

I will serve as Primary Attorney for the County on this matter in conjunction with Kurt Deter, John Kolb, Gerald Von Korff, and Maury Noonan. Other individuals may assist with this matter from time to time or even assume the matter as lead attorney. The use of associate attorneys, paralegals, and law clerks results in a direct savings to the County since they can more economically perform tasks which do not require the attention of a senior attorney. If you have any questions or concerns regarding delegation of responsibilities and work between attorneys, please contact us to discuss these issues.

It is our policy to describe services performed in a detailed manner so that you may be able to understand fully the services and the charges. If there are any questions relating to the services or the charges, we will be pleased to discuss them with you at the earliest possible time after receipt of the

billing statement, since the matters will be freshest in our memory at that time. Accordingly, you agree to notify us in writing or email within 30 days of receiving our billing statement if you dispute any entry for legal services or charges on any billing statement. In the absence of any written objections thereto within 30 days of your receipt of a billing statement, you will be deemed to have accepted and acknowledged the billing statement as correct through the period covered by the billing statement.

**Expenses:** In the course of rendering legal services to you, it may be necessary for us to incur expenses and administrative fees for items such as filing and recording fees, deposition transcripts, computerized legal research, overnight or special delivery service, and travel. The actual expenses incurred will vary depending on the services that we provide to you. We do not, however, charge for photocopying or mileage.

Expense items incurred on your behalf will be itemized separately and listed on our billing statements.

**Late Payment and Failure to Pay:** If you fail to pay our statements in full on or before the due date set forth on the statements, we reserve the right to assess you with a monthly service charge equal to 8% per annum, or at the highest rate allowed by law, whichever is lower, of all legal fees, expenses, and disbursements that are past due. This monthly service charge will be billed to you at the end of each month in which a late payment occurs. (See the enclosed disclosures).

**Conflict of Interest Waiver:** Because we have over 25 attorneys in the firm and numerous business and individual clients having interactions with various governmental entities, we want to ensure that by representing the County, we are not conflicting the firm out of representing other clients who may be adverse to the County on matters unrelated to our public drainage work. By our office assisting the County on chapter 103E public drainage matters, the County agrees that our work with the County should not prohibit our office from representing clients on other unrelated matters that may be adverse to the County. These matters may include requests for economic development assistance, land use applications for private clients, criminal defense matters where the County is prosecuting, construction disputes, or other matters unrelated to chapter 103E. If there is a civil matter that may be contentious or would involve litigation against the County, we will contact you prior to undertaking the representation so that a decision can be made specific to that representation.

**Review of this Agreement:** This Agreement is being provided to the County and to the Goodhue County Attorney. In addition to the Goodhue County Attorney's review of this agreement for the County, we are requesting that the County and the Goodhue County Attorney sign the original engagement agreement upon the Board's motion to engage the Law Firm as its legal counsel as described herein. Minn. Stat. § 388.09, subd. 1 permits the County to employ an attorney to assist the county attorney, to appear for the County or any county officer in any action in which the County or officer in an official capacity is a party, to advise the board or its members in relation to the action, or in any other matter affecting the interests of the County. You understand that the Law Firm is not retained until the signed original engagement agreement is returned to the Law Firm.

If you have any questions or concerns about the terms of this engagement agreement, please contact us immediately. On behalf of the Law Firm, we appreciate the opportunity to represent you in this matter.

By signing this agreement, you confirm that you have read this engagement agreement, understand its provisions, and agree to abide by it.

Sincerely,

**This Initial Disclosure Statement is being provided to you in accordance with  
Regulation Z - Truth in Lending (12 CFR Section 226).**

You will be billed monthly for charges for services we have performed for you and expenses we have paid or incurred on your behalf. FINANCE CHARGES will begin to accrue one month after the Closing Date if the statement is not paid in full prior to such time. The Closing Date is the last day of the month and the end of our billing cycle. FINANCE CHARGES will be calculated at a periodic rate equal to .666 percent which corresponds to an ANNUAL PERCENTAGE RATE equal to eight percent (8%), or at the highest rate allowed by law, whichever is lower. If you pay all charges which appear on your monthly statement within one month of the Closing Date, no FINANCE CHARGE will be made to your account.

**EXPLANATION OF METHOD USED TO DETERMINE THE BALANCE  
ON WHICH THE FINANCE CHARGE MAY BE COMPUTED**

We figure the FINANCE CHARGE on your account by applying the periodic rate to the amount you owe at the end of each cycle (including charges for new services and deducting payments and credits made during the billing cycle). If you fail to pay your bill, we may also be able to place an attorney's lien upon real or personal property that you may own or acquire an interest in pursuant to Minnesota Statutes Section 481.13.

**YOUR BILLING RIGHTS - KEEP THIS NOTICE FOR FUTURE USE**

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

**NOTIFY US IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR BILL.**

If you think your bill is wrong, or if you need more information about a transaction on your bill, write us on a separate sheet at the address listed on your bill. Write to us as soon as possible. We must hear from you no later than sixty (60) days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

Your name and file number.

The dollar amount of the suspected error.

Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your bill automatically from your savings or checking account, you can stop the payment on any amount you think is wrong. To stop the payment, your letter must reach us three (3) business days before the automatic payment is scheduled to occur.

**YOUR RIGHTS AND OUR RESPONSIBILITIES AFTER WE RECEIVE YOUR WRITTEN NOTICE**

We must acknowledge your letter within thirty (30) days unless we have corrected the error by then. Within ninety (90) days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question, or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we have made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we did not make a mistake, you may have to pay finance charges and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date that it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within ten (10) days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

If we do not follow these rules, we can't collect the first \$50.00 of the questioned amount, even if your bill was correct.

TO: County Board of Commissioners  
FROM: Brian J. Anderson, Finance Director  
Steve O'Keefe, County Attorney  
SUBJECT: Purchase Agreement for 501 Belle Street, Cannon Falls  
MEETING DATE: November 19, 2019

**Background:**

Through the Health and Human Services Department, Goodhue County has recently received a home in Cannon Falls as a medical assistance recovery and now is recommending the sale of the property in order to take the proceeds as a medical assistance recovery.

At their September 3<sup>rd</sup> County Board meeting, the Board approved to sell the house through the RFP process with a minimum bid amount of \$101,880; however, no bid was received that met the County's minimum bid requirements. At their October 15<sup>th</sup> County Board meeting, the Board approved to select a realtor to represent in selling the house. The County received two proposals and selected Weichert Realty of Cannon Falls. At this time, the broker agent has found a buyer that has met the selling requirements.

**Discussion:**

The house and garage reside on two adjoining parcels located at 501 Belle Street, Cannon Falls MN 55009. The County has no use for the home and has been pursuing to sell the home in order to receive the proceeds. The current value of the home is assessed at \$113,200 and in accordance with *State Statute 373.01 Powers*, the property must first be offered through the advertised bid process in the official newspaper for three consecutive weeks, which has been fulfilled. Being the home did not sell, the County Board directed staff to obtain a broker agent but the home cannot sell for less than 90% of the assessed value or \$101,880.

The County selected Weichert Realty of Cannon Falls as its broker agent and at this time the County has reached an agreement with the broker's buyer that meets the terms as set by the State and County. As outlined in the Purchase Agreement, the buyer agrees to pay \$105,500 for the home transferred through Quit Claim Deed. The buyer will pay the commission of the listing agent and the County will pay \$3,500 in closing costs which equates to a net profit of \$102,000 to the County. Upon approval from the County Board, the closing will occur when the mortgage company prepared the proper documents.

**Recommendation:**

As prepared by the County Attorney and Finance Director, staff is recommending that the County Board approved the attached Purchase Agreement for the sale of 501 Belle Street, Cannon Falls, MN 55009 in the amount of \$105,500.

DUAL AGENCY REPRESENTATION

402. PLEASE CHECK ONE OF THE FOLLOWING SELECTIONS:

403.  Dual Agency representation **DOES NOT** apply in this transaction. *Do not complete lines 405-421.*

404.  Dual Agency representation **DOES** apply in this transaction. *Complete the disclosure in lines 406-421.*

405. Broker represents both the Seller(s) and the Buyer(s) of the Property involved in this transaction, which creates a dual agency. This means that Broker and its salespersons owe fiduciary duties to both Seller(s) and Buyer(s). Because the parties may have conflicting interests, Broker and its salespersons are prohibited from advocating exclusively for either party. Broker cannot act as a dual agent in this transaction without the consent of both Seller(s) and Buyer(s).

406. Seller(s) and Buyer(s) acknowledge that

407. (1) confidential information communicated to Broker which regards price, terms, or motivation to buy or sell will remain confidential unless Seller(s) or Buyer(s) instructs Broker in writing to disclose this information. Other information will be shared;

408. (2) Broker and its salespersons will not represent the interest of either party to the detriment of the other; and

409. (3) within the limits of dual agency, Broker and its salespersons will work diligently to facilitate the mechanics of the sale.

410. With the knowledge and understanding of the explanation above, Seller(s) and Buyer(s) authorize and instruct Broker and its salesperson to act as dual agents in this transaction.

411. Seller \_\_\_\_\_ Buyer \_\_\_\_\_

412. Seller \_\_\_\_\_ Buyer \_\_\_\_\_

413. Date \_\_\_\_\_ Date \_\_\_\_\_

422. **CLOSING COSTS:** Buyer or Seller may be required to pay certain closing costs, which may effectively increase the cash outlay at closing or reduce the proceeds from the sale.

424. **SETTLEMENT STATEMENT:** Buyer and Seller authorize the title company, escrow agent, and/or their representatives to disclose and provide copies of the disbursing agent's settlement statement to the real estate licensees involved in the transaction at the time these documents are provided to Buyer and Seller.

427. **FOREIGN INVESTMENT IN REAL PROPERTY TAX ACT ("FIRPTA"):** Section 1445 of the Internal Revenue Code provides that a transferee ("Buyer") of a United States real property interest must be notified in writing and must withhold tax if the transferor ("Seller") is a foreign person and no exceptions from FIRPTA withholding apply. Buyer and Seller agree to comply with FIRPTA requirements under Section 1445 of the Internal Revenue Code.

431. Seller shall represent and warrant, under the penalties of perjury, whether Seller is a "foreign person" (as the same is defined within FIRPTA), prior to closing. Any representations made by Seller with respect to this issue shall survive the closing and delivery of the deed.

434. Buyer and Seller shall complete, execute, and deliver, on or before closing, any instrument, affidavit, or statement reasonably necessary to comply with the FIRPTA requirements, including delivery of their respective federal taxpayer identification numbers or Social Security numbers.

437. Due to the complexity and potential risks of failing to comply with FIRPTA, including the Buyer's responsibility for withholding the applicable tax, Buyer and Seller should seek appropriate legal and tax advice regarding FIRPTA compliance, as the respective licensee's representing or assisting either party will be unable to assure either party whether the transaction is exempt from FIRPTA withholding requirements.

# WIRE FRAUD ALERT

Internet fraud — the use of Internet services or software with Internet access to defraud victims — is on the rise in real estate transactions.

## THESE SOPHISTICATED CRIMINALS COULD:

- **HACK INTO YOUR E-MAIL ACCOUNT** or the e-mail of others involved in your real estate transaction and may direct you to wire money to the hacker's account.
- **SEND FRAUDULENT E-MAILS** that appear to be from your real estate licensee, lender, or closing agent.
- **CALL YOU** claiming they have revised wiring instructions.

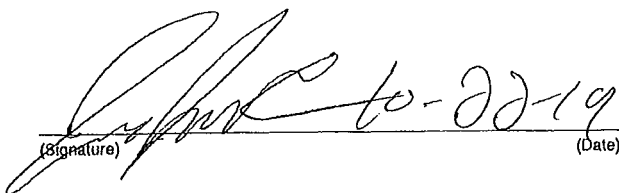

## Buyers/Tenants and Sellers/Owners are advised to:

- (1) Never wire funds without confirming the wiring instructions directly with the intended recipient.
- (2) Verify that the contact information for the wire transfer recipient is legitimate by calling a known phone number for the broker or closing agent. Do not rely on the information given to you in an e-mail communication.
- (3) Never send personal information through unsecured/unencrypted e-mail.

## If you suspect wire fraud in your transaction:

- (1) Immediately notify your bank, closing agent, and real estate licensee.
- (2) File a complaint online at the Internet Crime Complaint Center (IC3) at <http://www.ic3.gov>.

The undersigned acknowledge receipt of this wire fraud alert and understand the importance of taking proactive measures to avoid being a victim of wire fraud in a real estate transaction.

2.

3. You have the right to choose whether to have any disputes about disclosure of material facts affecting the use or  
4. enjoyment of the property that you are buying or selling decided by binding arbitration or by a court of law. By agreeing  
5. to binding arbitration, **you give up your right to go to court for claims over \$15,000.**

6. By signing the RESIDENTIAL REAL PROPERTY ARBITRATION AGREEMENT ("ARBITRATION AGREEMENT") on  
7. page two (2), you agree to the following:

8. (1) disputes with demands which fall within the jurisdictional limits of the conciliation court shall be resolved in the  
9. applicable conciliation court; and

10. (2) all other disputes shall be subject to binding arbitration under the Residential Real Property Arbitration  
11. System ("Arbitration System") administered by National Center for Dispute Settlement ("NCDS") and endorsed  
12. by the Minnesota Association of REALTORS® ("MNAR"). The ARBITRATION AGREEMENT is enforceable only  
13. if it is signed by all buyers, sellers and licensees representing or assisting the buyers and the sellers. The  
14. ARBITRATION AGREEMENT is not part of the *Purchase Agreement*. **Your Purchase Agreement will still**  
15. **be valid whether or not you sign the ARBITRATION AGREEMENT.**

16. The Arbitration System is a private dispute resolution system offered as an alternative to the court system. It is not  
17. government sponsored. NCDS and the MNAR jointly adopt the rules that govern the Arbitration System. NCDS and  
18. the MNAR are not affiliated. Under the ARBITRATION AGREEMENT you must use the arbitration services of NCDS.

19. All disputes about or relating to disclosure of material facts affecting the use or enjoyment of the property, excluding  
20. disputes related to title issues, are subject to arbitration under the ARBITRATION AGREEMENT. This includes claims  
21. of fraud, misrepresentation, warranty and negligence. Nothing in this Agreement limits other rights you may have under  
22. MN Statute 327A (statutory new home warranties) or under private contracts for warranty coverage. An agreement to  
23. arbitrate does not prevent a party from contacting the Minnesota Department of Commerce, the state agency that  
24. regulates the real estate profession, about licensee compliance with state law.

25. The administrative fee for the Arbitration System varies depending on the amount of the claim, but it is more than initial  
26. court filing fees. In some cases, conciliation court is cheaper than arbitration. The maximum claim allowed in conciliation  
27. court is \$15,000. This amount is subject to future change. In some cases, it is quicker and less expensive to arbitrate  
28. disputes than to go to court, but the time to file your claim and pre-hearing discovery rights are limited. The right to  
29. appeal an arbitrator's award is very limited compared to the right to appeal a court decision.

30. **A request for arbitration must be filed within 24 months of the date of the closing on the property or else the**  
31. **claim cannot be pursued. In some cases of fraud, a court or arbitrator may extend the 24-month limitation**  
32. **period provided herein.**

33. A party who wants to arbitrate a dispute files a Demand, along with the appropriate administrative fee, with NCDS.  
34. NCDS notifies the other party, who may file a response. NCDS works with the parties to select and appoint an arbitrator  
35. to hear and decide the dispute. A three-arbitrator panel will be appointed instead of a single arbitrator at the request  
36. of any party. The party requesting a panel must pay an additional fee. Arbitrators have backgrounds in law, real estate,  
37. architecture, engineering, construction or other related fields.

38. Arbitration hearings are usually held at the home site. Parties are notified about the hearing at least 14 days in advance.  
39. A party may be represented by a lawyer at the hearing, at the party's own expense, if he or she gives five (5) days  
40. advance notice to the other party and to NCDS. Each party may present evidence, including documents or testimony  
41. by witnesses. The arbitrator must make any award within 30 days from the final hearing date. The award must be  
42. in writing and may provide any remedy the arbitrator considers just and equitable that is within the scope of the parties'  
43. agreement. The arbitrator does not have to make findings of fact that explain the reason for granting or denying an  
44. award. The arbitrator may require the party who does not prevail to pay the administrative fee.

45. **This Arbitration Disclosure provides only a general description of the Arbitration System and a general overview**  
46. **of the Arbitration System rules.** For specific information regarding the administrative fee, please see the Fee Schedule  
47. located in the NCDS Rules. Copies of the Arbitration System rules are available from NCDS by calling (866) 727-8119  
48. or on the Web at [www.ncdsusa.org](http://www.ncdsusa.org) or from your REALTOR®. If you have any questions about arbitration, call NCDS  
49. at (866) 727-8119 or consult a lawyer.

This contract was for installation of subsurface drain tile on CR 23 and CR 54. The contractor for this project was Traxler Construction Inc, of Le Center, MN.

The original contract was to install subsurface drain tile on CR 23, which begins at TH 56 and ends at CSAH 1. CR 54 continues east of CSAH 1 on the same line to TH 57 where it ends. The number and size of the soft spots on approximately 80% of CR 54 resembled CR 23. On 15 Oct 19 the County Board approved additional work to install subsurface drains on CR 54 to this contract via a change order in the amount of \$170,740.00.

Work commenced on 23 Sept 19, and was completed on 25 Oct 19. The original contract amount was \$252,805.00; revised contract amount was \$406,915.00. Final payment to the contractor is \$19,686.06. The completed revised contract amount of \$393,721.14 is 3.2% less than the revised contract.

RE: 19 Nov County Board Meeting  
**Submit Solid Waste Designation Ordinance to MPCA for Review and Approval**

Date: 13 Nov 19

## Summary

It is requested that the County Board authorize staff to submit the draft Solid Waste Designation Ordinance to the Minnesota Pollution Control Agency (MPCA) for review and approval.

## Background

The Board held a public hearing to gather the public's input on Solid Waste Designation at their 08 Jan 19 meeting.

Proposed hauler agreements for delivery of solid waste to Red Wing's Resource Recovery Facility were sent to all the licensed haulers in the County on 29 Mar 19. County and Red Wing Staff invited all licensed haulers to meet, and did meet with several of the haulers to discuss the proposed delivery agreements. Based on these negotiations, there were several changes made to the original agreement. The final version of the agreement was presented to the Board on 13 Aug 19 and sent out to the haulers on 05 Sep 19. Three of the haulers have signed the agreement.

The next step in the process of adopting a Solid Waste Designation Ordinance is to send our proposed Solid Waste Designation Ordinance to the MPCA for their review and approval.

The ordinance has been written to be consistent with:

- the County's Integrated Solid Waste Management Plan,
- the County's Designation Plan,
- the Solid Waste Processing Agreement between the County and the City of Red Wing,
- the City of Red Wing/ Goodhue County Waste Delivery Contract,
- a definition of a Qualified facility under the Landfill Cleanup Program,
- other provisions of Minnesota Statute 115A - Waste Management

This ordinance format is based on Olmsted County's Solid Waste Ordinance (which has been approved by the MPCA) and was modified to fit Goodhue County's situation.

Copies of the signed hauler agreements will also be submitted as required by Minnesota Statute. The MPCA has 90 days to approve the Ordinance and may attach conditions to their approval.

If the MPCA approves the Ordinance, then the Board will need to give a 60 day notice before the Ordinance can go into effect.

#### Alternatives

- Submit the draft Solid Waste Designation Ordinance as written to the MPCA for review and approval.
- Revise and then submit the draft Solid Waste Designation Ordinance to the MPCA for review and approval.
- Take no action.

#### Recommendations

It is the recommendation of staff that the Board submit the draft Solid Waste Designation Ordinance as written to the MPCA for review and approval.

### **SECTION 5: MATERIALS NOT SUBJECT TO DESIGNATION**

Designation does not apply to or include:

- section, “manufacturing processes” does not include the treatment of waste after collection for composting.
2. Materials that are processed at a resource recovery facility, other than the Designated Facility, at the capacity in operation at the time that the County Waste Designation Plan was approved by the MPCA, on August 18, 2017.
  3. Materials that are separated at a permitted transfer station located within the boundaries of the County for the purpose of recycling the materials if:

  4. Materials that are:
    - a. Generated in the County that are being recycled, and residuals from the recycling if there is at least an 85 percent volume reduction in the Solid Waste processed at the recycling facility and the residuals are managed as separate waste streams; or
    - b. Separated for recycling at a transfer station located outside the County Area, that meet the volume reduction and residual management criteria in Section 5.4.a, above, and that have been excluded from designation pursuant to the process set forth in Minn. Stat. § 115A.84, subd. 5.
  5. Acceptable Waste delivered to the Designated Facility pursuant to a waste delivery agreement with the City and the County, for the term of the agreement.

The County, by resolution of the County Board, may suspend the designation requirement of this Ordinance at any time. Reasons the County may suspend the designation requirement include, but are not limited to, the following: natural disaster, or damage to or closure of part or all of the Designated Facility. This provision does not relieve any Person of any obligation to comply with all other applicable federal, state or local laws or ordinances. The County will provide reasonable notice of any suspension and subsequent reinstatement of the designation requirement to Commercial Haulers, Self-Haulers and Persons in the County.

**SECTION 7: RATES AND CHARGES**

Rates and charges at the Designated Facility will be established by the annual City process to establish fees, rates and charges and pursuant to the process specified in the Agreement.

**SECTION 8: TITLE TO DESIGNATED WASTE**

Generators, Commercial Haulers, and Self-Haulers retain all rights, title (ownership) and responsibilities with respect to all Designated Waste until the Designated Waste is delivered to the Designated Facility pursuant to this Ordinance, and is deemed by the Designated Facility to be Acceptable Waste. Once deemed as Acceptable Waste, the City shall obtain all rights, title (ownership) and responsibilities with respect to the Designated Waste. The City shall not obtain all rights, title (ownership) and responsibilities with respect to Designated Waste where the Designated Facility rejects waste as Unacceptable Waste, as provided herein. All Persons delivering Designated Waste will defend, indemnify and hold the County and the City harmless from any and all claims of ownership brought against the County with respect to said Designated Waste which may affect the clear title of the City to said Designated Waste at the time of its acceptance by the City.

Except as otherwise agreed in writing with the City and County, nothing in this Section shall be construed as the City or County agreeing to indemnify or hold harmless Generators, Commercial Haulers, or Self-Haulers from any claims relating to the actions governed by this Ordinance brought by any party under federal or state law, including but not limited to the Comprehensive Environmental Response, Compensation, and Liability Act; Hazardous Materials Transportation Act; Resource Conservation and Recovery Act; and Minnesota Environmental Response and Liability Act, each as amended

**SECTION 9: DELIVERY OF DESIGNATED WASTE**

All deliveries to the Designated Facility shall be in accordance with the terms and conditions of the County and City solid waste ordinances, and in compliance with delivery instructions and procedures as the Designated Facility may from time to time prescribe.

**SECTION 10: DELIVERY OF UNACCEPTABLE WASTE**

Each Person shall use its best efforts to deliver only Acceptable Waste to the Designated Facility and will comply with the terms and conditions of County and City Ordinances and the Designated Facility's policies and procedures. Persons who deliver Unacceptable Waste to the Designated Facility shall be subject to the Designated Facility's rules, procedures and fees associated with handling of Unacceptable Waste.

**SECTION 11: LICENSE REQUIRED**

No Person may collect, transport or deliver Solid Waste subject to the requirements of this Ordinance without a solid waste haulers license as required by County solid waste ordinance, and the City solid waste ordinance if the Solid Waste was generated in the City.

**SECTION 12: DELIVERY CONDITIONS**

All Designated Waste shall be in substantially the same form and consistency as when it came under the control of the Person transporting the waste except that such Designated Waste may be compacted when compaction is desirable for transportation.

**SECTION 13: DUTY TO ACCEPT DESIGNATED WASTE; FAILURE TO ACCEPT DESIGNATED WASTE**

Notwithstanding anything in this Ordinance to the contrary, the Designated Facility will accept all Designated Waste to the extent required by applicable Minnesota law and the Agreement. If at any time the Designated Facility is unable to receive all or any part of Designated Waste at the Designated Facility, the City shall notify Persons via notice at the Designated Facility. In such event, each Person shall be responsible for the transportation of the Designated Waste to another permitted Solid Waste management facility for proper management. All costs of such transportation and disposal shall be borne by the Person.

**SECTION 14: DESIGNATION RECORDS; INSPECTION**

**Subs. 1. Definitions.** For the purposes of this section:

1. "Origin" at a minimum means the customer name, address from which Designated Waste was collected and general geographical description that names the local governmental unit from which Designated Waste was collected; and
2. "Type" means a best estimate of the percentage of each truck load that consists of residential, commercial, industrial, construction, or any other general type of Solid Waste.

**Subs. 2. Records; Haulers; Facilities.** Each Person who hauls Solid Waste including, but not limited to Self-Haulers and Commercial Haulers, shall maintain records regarding the volume or weight, type, and origin of Designated Waste collected or transported. Each day, a record of the origin, type, and weight of the waste collected that day and the identity of the waste facility at which that day's collected waste is deposited must be kept on the waste collection vehicle or vehicle used by a Self-Hauler. Global Positioning System (GPS) records may be used to assist in developing such information. If the waste is measured by volume at the waste facility at which it is deposited, the record may show the volume rather than the weight of the waste.

The Designated Facility shall maintain records regarding the weight of the waste, or the volume of the waste if the waste is measured by volume; the general type or types of waste; the origin of the waste delivered; the date and time of delivery; and the name of the hauler that delivered the waste.

**Subs. 3. Inspection.** An authorized agent of the County, anywhere in the State, may:

1. Upon presentation of identification and without a search warrant, inspect or copy the records required to be kept on a waste collection vehicle under subsection 2, above, and inspect the waste on the vehicle at the time of deposit of the waste at a facility;
2. When reasonable notice under the circumstances has been given, upon presentation of identification and without a search warrant, inspect or copy the records of an owner or operator of a Solid Waste facility that are required to be maintained under subsection 2, above;
3. Request, in writing, copies of records of a Commercial Hauler, or Self-Hauler that indicate the type, origin, and weight or, if applicable, the volume of waste collected, the identity of the facility at which the waste was deposited, and the date of deposit at the facility; and
4. Upon presentation of identification and without a search warrant, inspect or copy that portion of the records of a Commercial Hauler or Self-Hauler necessary to comply with clause (3), above, at the central record-keeping location of the Commercial Hauler or Self-Hauler only if the hauler fails to provide copies of the records within 15 days of receipt of a written request for them, unless the time has been extended by agreement of the parties.

Records or information received, inspected, or copied by the County or its authorized agent under this section are classified as nonpublic data as defined in Minn. Stat. Sec. 13.02, subd. 9. A Commercial Hauler, Self-Hauler, or the owner or operator of a waste facility shall maintain records needed to comply with this section for two years.

## **SECTION 15: VIOLATIONS AND PENALTIES**

- a) Misdemeanor. Any person who fails to comply with the provisions of this Ordinance is guilty of a misdemeanor. A separate offense shall be deemed committed upon each day during or on which a violation occurs or continues.

- b) Venue and Prosecution. The County Attorney's Office shall have authority to prosecute violations of any provisions of this Ordinance. Such prosecutions shall be venued in Goodhue County District Court.

**Subs. 2. Civil Enforcement; Venue.**

- a) The County may enforce this Ordinance by commencing an action in Goodhue County District Court. The court may compel performance in any manner deemed appropriate by the court, including, but not limited to, issuance of an order to show cause, a temporary restraining order, or an injunction for a violation or threatened violation of this Ordinance. In addition, the court may order payment of damages, including interest, or a civil penalty, or both. In an action brought to enforce this section in which the County substantially prevails, the court may order payment by the defendant of the costs of mitigating any damages caused by the violation, and other County costs and disbursements, including reasonable attorney fees.

  - 2. Damages caused by the failure to keep records or by refusal to allow timely entry or inspection;
  - 3. An order to compel performance for delivery of Designated Waste to the Designated Facility;
  - 4. A civil penalty for failure to comply with the requirements of this Ordinance payable to the County of up to \$10,000 per day for each day of violation; or
  - 5. At the discretion of the County Board, and as permitted by Minnesota law, the costs of compliance which may include but are not limited to unpaid service charges and avoided tipping fees, may be certified to the County Auditor as a special assessment against the real property owned by such Person and at which the corrective action occurred; or
  - 6. Any or all of the above.

The court also has as a remedy, if in accordance with Minnesota law, to place unpaid penalties on the tax rolls for collection.

**SECTION 16: EACH PERSON'S MANDATORY OBLIGATIONS**

All obligations to make payments due to the County under the County Solid Waste Ordinance shall be absolute and unconditional. No Person shall be entitled to any abatement, diminution, setoff, abrogation, waiver or modification thereof, nor to any termination of this Ordinance regardless of any rights of setoff, recoupment or counterclaim that each Person might otherwise have against the County or any other party or parties and regardless of any contingency, unforeseen circumstance, or event, except upon written approval by the County for good cause shown through submission of a written application and, at the County's option, attendance at an informal meeting. The County shall set forth its determination on the application in a written decision.

**SECTION 17: SEVERABILITY**

It is hereby declared to be the intention of the Board of Commissioners of the County that the provisions of this Ordinance are severable in accordance with the following:

- a) If any court of competent jurisdiction shall adjudge any provision of this Ordinance to be invalid, such judgment shall not affect any other provisions of this Ordinance not specifically included in said judgment.
- b) If any court of competent jurisdiction shall adjudge invalid the application of any provision of this Ordinance to a particular structure, site, facility or operation, such judgment shall not affect the application of said provision to any other structure, site, facility or operation not specifically included in said judgment.

**SECTION 18: PROVISIONS ARE CUMULATIVE**

The provisions in this Ordinance are separate, distinct, and cumulative. Any additional limitations heretofore passed, or which may be passed hereafter, covering any subject matter in this Ordinance, shall not affect any other provisions of this Ordinance not specifically included in said limitations.

**SECTION 19: NO CONSENT**

Nothing contained in this Ordinance shall be deemed to be a consent, license, or permit to locate, construct or maintain a Solid Waste management facility, or to carry on any activity related to Solid Waste management.

**SECTION 20: NON-LIABILITY**

Neither the County nor any officer or employee thereof shall be held liable for any damage to Persons or property by reason of any investigation, reinvestigation, failure to investigate, inspection, reinspection or failure to inspect, or by reason of the approval or disapproval of

equipment or the granting, not granting, suspending or revoking of any license, nor for any action in connection with the inspection or control of Designated Waste or in connection with any other official duties.

**SECTION 21: EFFECTIVE DATE**

This Ordinance shall be in full force and effect upon sixty (60) days after adoption by the County Board.
