
NOTICE OF PUBLIC HEARING AND INTENT TO ENACT ORDINANCE

Goodhue County Board
Tuesday June 16th at 9:00am
Goodhue County Government Center 3rd Floor, Room 301
509 West Fifth Street Red Wing, MN 55066

The County Board will hold a public hearing and consider an ordinance amendment to the Goodhue County Cannabis Ordinance. The purpose of the amendment is to exempt low potency hemp edibles from the 1000 foot minimum buffer requirement in Section 3.1. This change allows those who register a low potency hemp edible business location with the County to be located within 1000 feet of another low potency hemp edible business. A copy of the draft ordinance changes will be posted in the County Board Agenda Packet at least 3 days prior to the meeting. Individuals interested in addressing the Board regarding this proposed ordinance change are invited to attend. Agendas are posted on the County website at www.goodhuecountymn.gov.
