BY-LAWS

Article I **Name of the Board**

The name of the board shall be the Goodhue County Parks, Trails and Recreation Advisory Board hereinafter referred to as the “Park Board”.

Article II **Purpose and Objective**

The purpose of the Park Board is to bring citizen input and perspective into the development, improvement, and promotion of parks, trails and recreational areas in Goodhue County.

The Park Board, acting under the direction of the Goodhue County Public Works Director, is responsible for developing long-range plans, reviewing park and trail development projects, and making recommendations in such matters to the Goodhue County Board of Commissioners for consideration.

The objective of the Park Board is to provide outdoor natural resource-oriented recreational facilities while preserving the natural state of the park and trail lands.

Article III **Membership**

Section 1: Qualifications

Members must have a commitment and interest in parks, trails and recreation areas and value the vital role they play in the quality of life for County residents and visitors. Anyone who holds an elective city, county, state or federal office shall not be eligible to serve as a Park Board member except for the two County Commissioners appointed to the Park Board. Except where specifically provided for by the County Board of Commissioners, no permanent county employee can serve as a voting member on the advisory board.

Section 2: Distribution of Members

The voting membership of the Park Board shall consist of five citizen members to be appointed by the County Board of Commissioners, each member representing a Commissioner District; two County Commissioners; and two representatives from area recreational organizations (such as bike trail groups). Ex-officio members shall be the County Attorney (or representative from said office), the County Public Works Director and other Public Works staff as assigned by the Public Works Director. An appointment to this board will be made by the full County Board, meeting in a regular session or properly noticed special session.

Section 3: Membership Terms

The appointed term for the voting members shall be three years, with the exception of County Commissioners who are assigned by the County Board. Each member may serve the maximum of three consecutive terms. Terms shall be staggered so that no more than three members’ terms expire in a given year. A minimum of one term (three years) is required between the end of a term limit and the start of a new series of

appointment terms. All regular terms shall expire at the first County Board meeting of the new calendar year. A member may serve after the expiration of a term until a successor is appointed.

Section 4: Residency Requirement

All voting members of the Park Board shall be residents of Goodhue County. Those citizen members representing a Commissioner's District shall be residents of the Commissioner District they are representing. A member representing one of the five Commissioner Districts may be removed by the County Board of Commissioners if the member relocates outside of the Commissioner's District from which they were appointed. A member representing an area recreational organization may be removed by the County Board of Commissioners if the member leaves the recreational organization.

Section 5: Conflict of Interest

Members shall follow the Conflict of Interest Policy adopted by the County Board of Commissioners.

Section 6: Attendance

Members who miss four (4) meetings in a year will be considered inactive: their inactive status will be reported to the County Board and the Park Board member may be replaced.

Section 7: Removal

The County Board by majority vote may remove any Park Board member for the nonperformance of duty or misconduct in office. The member shall be entitled to a hearing conducted by the County Board prior to any vote on the charges.

Section 8: Vacancy

Any vacancy in the voting membership shall be filled by an appointment from the County Board of Commissioners and such appointee shall serve for the unexpired term so filled. The appointee shall represent the same Commissioner District or organization as the previous member. Appointment to the expired term will not be counted toward the consecutive term limit.

Section 9: Remuneration

Members shall be eligible to receive meeting per diem and mileage reimbursement at the rate established by the County Board of Commissioners.

Article IV

It shall be the practice (but not required), to consider the succession of the Chair by the Vice-Chair and the Vice-Chair from the membership. Nominations shall be made from the floor and election of the officers shall follow immediately thereafter. A candidate receiving a majority vote of those members of the board present shall be declared elected and shall serve for the term of one year.
