GENERAL PROVISIONS

- 1. No changes in plans or specifications can be made to the work authorized herein unless such change is first approved in writing by the permitting authority.
- 2. Permittee shall grant access to the site at all reasonable times that the permitting authority or his/her agents may conduct inspections to ascertain compliance with the terms and conditions of this permit.
- 3. The Construction Site shall be kept reasonably free of debris at all times so as to not create a public nuisance.
- 4. Permittee shall install permanent and temporary erosion control measures in order to prevent erosion of disturbed soils from the project site onto adjacent parcels of land, public waters, public roads, ditches, sewer facilities and the like. Permittee shall cease all related authorized construction activities until such time as any such problem is corrected as agreed to by the permitting authority.
- 5. The granting of this permit does not exempt the permittee from having to secure other permits from other State, Federal or Local units of government which may have jurisdiction over portions of the authorized project.
